Shari'a Compliant Microfinance S. Nazim Ali, 2013-03-01 In the recent past Islamic finance has made an impressive case on the banking scene by becoming an alternative to the popular conventional financial systems spurring a lively academic debate on how the Islamic finance industry can expand its services to cover the poor Several propositions have been aired which suggest that the Islamic finance industry should consider developing an efficient Shari'a compliant microfinance model This book brings together original contributions from leading authorities on the subject of Shari'a Compliant Microfinance Islamic Microfinance to propose innovative solutions and models by carefully studying experiments conducted in various countries Where critiques of the current microfinance concepts methods regulatory measures and practices have often revolved around its practice of charging very high interest this book discusses the several models that draw on both theory and case studies to provide a sustainable Shari'a compliant alternative Arguing that while Islamic finance might have made a remarkable contribution in the financial markets there remains a big question with regards to its social relevance the book provides new perspectives and innovative solutions to issues facing the Islamic microfinance industry A comprehensive reference book for anyone wanting to learn more about Shari'a Compliant Microfinance this book will also be of use to students and scholars of microfinance Islamic finance and to anyone interested in learning about ethical and socially responsible businesses *Africa Can Compete!* ,1996 All 15 new independent states established in the economic space of the former Soviet Union suffered big declines in output and trade after gaining independence This study summarizes cross country experience on the role of trade and payments policies in the linked contraction of output and trade by drawing on eight country case studies Estonia the Kyrgyz Republic Latvia Lithuania Moldova Russia Ukraine and Uzbekistan The results of the case studies show that trade reform and reorientation of trade toward the rest of the world have done much to arrest the decline in output usually associated with the transformation from plan to market Also available in English Stock no 13615 ISBN 0 8213 3615 0

Uganda's AIDS Crisis Jill Armstrong, 1995-01-01 Examines the economic problems that arise when governments own and operate enterprises that could be managed by the private sector Despite more than a decade of divestiture state owned enterprises account for nearly as large a share of developing countries economies today as twenty years ago This report examines the economic problems that arise when governments own and operate enterprises that could be managed by the private sector It finds that such enterprises are often inefficient and shows how the resulting losses to the economy hinder growth making it harder for people to escape poverty Why have reforms had such little impact In an innovative study of the political economy of state

enterprise reform the report describes common obstacles to reform and describes ways that some countries have overcome them Drawing on a rich database and detailed country case studies the report provides the most comprehensive assessment yet of a decade of divestiture and reform of state owned enterprises It evaluates the experiences of 12 countries some of these countries reformed successfully and some did not but all tried to improve the incentive structure by changing the contract between the government and state owned firms The report offers guidance for successful reform and suggests ways that foreign assistance can more effectively support reform efforts The countries covered in the case studies are Chile China Czech Republic Egypt Ghana India Republic of Korea Mexico Philippines Poland Senegal and Turkey Published for the World Bank by Oxford University Press

Review and Outlook for the World Oil Market Shane S. Streifel, 1995-01-01 After the collapse of the Soviet system the immense problems of environmental pollution in Central and Eastern Europe were widely publicized Less well known were its effects on health in the region which have led to a serious health crisis This report examines the degree to which the pollution adversely affected human health putting it in the context of other health determinants such as socioeconomic factors health care standards and availability and lifestyle factors Among the numerous pollutants the report points to lead dust toxic gases and nitrates in rural water supplies as having a significant impact on health in Central and Eastern Europe The author suggests possible avenues for international action However an analysis of the determinants of health reveals that addressing the pollution problems alone will not solve the health crisis Improving health in this region will depend on the changing economic fortunes of individual countries and the ability of each to create a supportive social environment for its citizens

Reforming the Energy Sector in Transition Economies Dale Gray, 1995-01-01 World Development Report 1995 Workers in an Integrating World addresses labor and employment issues that are important for South Asia Expanding employment and increasing the remuneration of workers are essential to poverty alleviation which is the primary objective of all countries in the region This regional perspective examines ways in which workers in South Asia can benefit from greater integration of the global economy through improving their skills or cushioning their transition to new jobs The paper emphasizes that governments need to develop a framework for labor policies that defines the rights of employers workers and labor unions and the framework for collective bargaining and settlement of disputes Liberalization will lead to market based development which is the best way to raise workers living standards it encourages firms and workers to invest in physical capital new technologies and skills
