Smoke Other Early Stories:

Smoke, and Other Early Stories Djuna Barnes,1982 **Short Story Index** ,1979 *Collected Stories* Djuna Barnes,1996 In this carefully edited collection which contains several unpublished works all of Barnes s stories are brought together for the first time These stories along with earlier ones reveal the breadth and consistency of Barnes s story writing and should establish her as one of the most interesting and vital storytellers of American literature after World War I

Master Humphrey's Clock and Other Early Stories and Sketches Charles Dickens,1890 **Plain and Ugly Janes** Charlotte M. Wright,2014-01-14 If beauty is truth is ugliness falsehood and deception If all art need concern itself with is beauty what need have we to explore in our literature the nature and consequences of ugliness In Plain and Ugly Janes Charlotte Wright defines and explores the ramifications of a new character type in twentieth century American literature the ugly woman whose roots can be traced to the Old Maid Spinster character of the nineteenth century During the 1970 s stories began to appear in which the ugly woman is a figure of power heroic not in the traditional old maid s way of quiet passive **Automated Library Systems and Document Tracking Systems** John T. Phillips,1989 Identifies and evaluates commercial software for circulation cataloging OPAC serials and acquisitions subsystems **Exhausted Ecologies** Andrew Kalaidjian,2020-01-23 Modern literature and environmentalism combined ecology psychology and aesthetics to restore communal well being to the United Kingdom after world war The Outside Thing Hannah Roche,2019-05-28 In a lecture delivered before the University of Oxford s Anglo French Society in 1936 Gertrude Stein described romance as the outside thing that is always a thing to be felt inside Hannah Roche takes Stein s definition as a principle for the reinterpretation of three major modernist lesbian writers showing how literary and affective romance played a crucial yet overlooked role in the works of Stein Radclyffe Hall and Djuna Barnes The Outside Thing offers original readings of both canonical and peripheral texts including Stein s first novel Q E D Things As They Are Hall s Adam s Breed and The Well of Loneliness and Barnes s early writing alongside Nightwood Is there an inside space for lesbian writing or must it always seek refuge elsewhere Crossing established lines of demarcation between the in and the out the real and the romantic and the Victorian and the modernist The Outside Thing presents romance as a heterosexual plot upon which lesbian writers willfully set up camp These writers boldly adopted and adapted the romance genre Roche argues as a means of staking a queer claim on a heteronormative institution Refusing to submit or surrender to the straight traditions of the romance plot they turned the rules to their advantage Drawing upon extensive archival research The Outside Thing is a significant rethinking of the interconnections between queer writing lesbian living and literary modernism **Republic of Dreams** Ross Wetzsteon,2007-11-01 If the twentieth century was the American century it can be argued that it was more specifically the New York century and Greenwich Village was the incubator of every important writer artist and political movement of the period From the century s first decade through the era of beatniks and modern art in the 1950s and 60s Greenwich Village

was the destination for rebellious men and women who flocked there from all over the country to fulfill their artistic political and personal dreams It has been called the most significant square mile in American cultural history for it holds the story of the rise and fall of American socialism women s suffrage and the commercialization of the avant garde One Villager went so far as to say that everything started in the Village except Prohibition and in the 1940s the young actress Lucille Ball said The Village is the greatest place in the world What other community could claim a spectrum ranging from Henry James to Marlon Brando from Marcel Duchamp to Bob Dylan from Gertrude Vanderbilt Whitney to Abbie Hoffman The story of the Village is in large part the stories old Villagers have told new Villagers about former Villagers and to tell its story is in large part to tell its legends Republic of Dreams presents the remarkable outrageous often interrelated biographies of the giants of American journalism poetry drama radical politics and art who flocked to the Village for nearly half a century among them Eugene O Neill whose plays were first produced by the Provincetown Players on Macdougall Street for whom Edna St Vincent Millay also wrote Jackson Pollock who moved to the Village from Wyoming in 1930 and was soon part of the group of 8th Street painters who would revolutionize Western painting E E Cummings who lived for years on Patchin Place as did Djuna Barnes Max Eastman who edited the groundbreaking literary and political journal The Masses which introduced Freud to the American public and also published Sherwood Anderson Amy Lowell Upton Sinclair Maksim Gorky and John Reed s reporting on the Russian Revolution Republic of Dreams is beautifully researched outspoken wise hip exuberant a monumental definitive history that will endure for decades to come *Women of the Left Bank* Shari Benstock,2010-06-28 A valuable and intriguing study of the lives and works of literary women who shaped expatriate Paris NPR Focusing on some two dozen American English and French women whose talent shaped the Paris expatriate experience in the early twentieth century from Anais Nin to Alice B Toklas and beyond this book shines new light on how gender was experienced and expressed during an important moment in modern literary history Shari Benstock weaves together with great skill the histories of an extraordinary group of talented women publishers like Sylvia Beach Caresse Crosby Margaret Anderson and Jane Heap novelists Jean Rhys Gertrude Stein and Edith Wharton She examines in some depth the writing produced by poets journalists and novelists thus combining literary criticism and social history in a seamless running narrative NPR Through their writings including unpublished and newly available documentary sources of the period Djuna Barnes Nancy Cunard Jean Rhys Gertrude Stein Edith Wharton and others are revealed as significant in the development of modernism imagism and other avant garde movements in which they were overshadowed or ignored by their male counterparts Benstock tracks the sexually liberated lifestyles and the creative originality of these women with a wealth of documentation Publishers Weekly An inspiration setting a standard for literary history and feminist criticism that will be difficult to surpass American Literature Modern American Environmentalists George A. Cevasco,Richard P. Harmond,2009-04-27 Modern American Environmentalists profiles the lives and contributions of nearly 140 major figures during the twentieth century environmental

movement Included are iconic environmentalists such as Rachel Carson E O Wilson Gifford Pinchot and Al Gore and important but less expected names including John Steinbeck and Allen Ginsberg The entries recount how each individual became active in environmental conservation detail his or her significant contributions trace the influence of each on future efforts and discuss the person s legacy The individuals selected for the book displayed either an unparalleled commitment to the conservation preservation restoration and enhancement of the natural environment or made a major contribution to the growth of environmentalism during its first century With a foreword by environmental historian Everett I Mendolsohn a time line of key environmental events a bibliography of groundbreaking works and an index organized by specialization this biographical encyclopedia is a handy and complete guide to the major people involved in the modern American environmental movement Mark Harvey Created in the Image? Or Rogovin,2024-08-15 The turn of the twenty first century saw the rise of a brand of fiction that centres the experience and perspective of the perpetrator thereby humanizing this character and granting it the capability to evoke our empathy The vast scholarship published on this phenomenon however fails to consider Israeli writing and with it some of the most complex characterizations of Holocaust perpetrators imagined from the unparalleled position of a nation that was shaped from its very birth by the legacy of Holocaust victimhood and survival In Created in the Image Or Rogovin situates Israeli literary responses to the Holocaust in the canon of perpetrator fiction for the first time Since the state s establishment in 1948 perpetrator characterization in Israeli fiction has demonstrated a remarkable development that corresponds to changing circumstances from the Eichmann trial to the First Intifada While early examples depicted perpetrators stereotypically and minimally as seen in Ka Tzetnik s demonic and bestial Nazis in *Salamandra* and in the amorphous persecutor figures in Aharon Appelfeld s stories since the mid 1980s these characters have been created in the human image as nuanced and multidimensional individuals The turning point came with Herr Neigel the sensitive and self contradictory commandant in David Grossman s *See Under Love* 1986 followed by likewise multifaceted and humanized perpetrators in fiction by A B Yehoshua Savyon Liebrecht and Amir Gutfreund Anchored in theoretical and comparative perspectives *Created in the Image* presents a groundbreaking analysis of the poetic mechanisms moral implications and historical contexts of this paradigm shift in the Israeli literary response to the Shoah **The Oxford Companion to American Literature** James D. Hart,Phillip Leininger,1995-10-12 For more than half a century James D Hart s *The Oxford Companion to American Literature* has been an unparalleled guide to America s literary culture providing one of the finest resources to this country s rich history of great writers Now this acclaimed work has been completely revised and updated to reflect current developments in the world of American letters For the sixth edition editors James D Hart and Phillip Leininger have updated the *Companion* in light of what has happened in American literature since 1982 To this end they have revised the entries on such established authors as Saul Bellow Norman Mailer and Joyce Carol Oates and they have added more than 180 new entries on novelists T Coraghessan Boyle Tim O Brien Louise Erdrich Don De Lillo poets Rita Dove

Weldon Kees playwrights Wendy Wasserstein August Wilson popular writers Stephen King Louis L Amour historians James M McPherson David Herbert Donald William Manchester naturalists Aldo Leopold Edward Abbey and literary critics Camille Paglia Richard Ellmann In addition the Companion boasts more women s African American and ethnic voices with new entries on such luminaries as Charlotte Perkins Gilman M F K Fisher William Least Heat Moon Ursula Le Guin and Oscar Hijuelos among many others These additions represent only some of the revisions for the new edition Of course the basic qualities of the Companion that readers have grown to know and love over the years are as superb as ever With over 5 000 total entries The Oxford Companion to American Literature reflects a dynamic balance between past and contemporary literature surveying virtually every aspect of our national literature from the Pulitzer Prize to pulp fiction and from Walt Whitman to William F Buckley Jr There are over 2 000 biographical profiles of important American authors with information regarding their styles subjects and major works and influential foreign writers as well as other figures who have been important in the nation s social and cultural history There are more than 1 100 full summaries of important American novels stories essays poems with verse form noted plays biographies and autobiographies tracts narratives and histories The new edition provides historical background and astute commentary on literary schools and movements literary awards magazines newspapers and a wide variety of other matters directly related to writing in America Finally the book is thoroughly cross referenced and features an extensive and fully updated index of literary and social history Ranging from Captain John Smith to John Updike and from Anne Bradstreet to Anne Rice the sixth edition of The Oxford Companion to American Literature is up to date accurate and comprehensive a delight for both the casual browser and the serious student

Freaks in Late Modernist American Culture Nancy Bombaci, 2006 *Freaks in Late Modernist American Culture* explores the emergence of what Nancy Bombaci terms late modernist freakish aesthetics a creative fusion of high and low themes and forms in relation to distorted bodies Literary and cinematic texts about freaks by Nathanael West Djuna Barnes Tod Browning and Carson McCullers subvert and reinvent modern progress narratives in order to challenge high modernist literary and social ideologies These works are marked by an acceptance of the disteleology anarchy and degeneration that racist discourses of the late nineteenth and early twentieth centuries associated with racial and ethnic outsiders particularly Jews In a period of American culture beset with increasing pressures for social and political conformity and with the threat of fascism from Europe these late modernist narratives about freaks defy oppressive norms and values as they search for an anarchic and transformational creativity

Queer Constellations Dianne Chisholm, *Queer Constellations* investigates the dreams and catastrophes of recent urban history viewed through new queer narratives of inner city life The gay village gay mecca gai Paris the lesbian flaneur the lesbian boheme these and other urban phantasmagoria feature paradoxically in this volume as figures of revolutionary utopia and commodity spectacle as fossilized archetypes of social transformation and ruins of haunting cultural potential Dianne Chisholm introduces readers to new practices of walking seeing citing and remembering

the city in works by Neil Bartlett Samuel Delany Robert Gluck Alan Hollinghurst Gary Indiana Eileen Myles Sarah Schulman Edmund White and David Wojnarowicz Reading these authors with reference to the history sociology geography and philosophy of space particularly to the everyday avant garde production and practice of urban space Chisholm reveals how and how effectively queer narrative documentary resembles and reassembles Walter Benjamin s constellations of Paris capital of the nineteenth century Considering experimental queer writing in critical conjunction with Benjamin s city writing the book shows how a queer perspective on inner city reality exposes contradictions otherwise obscured by mythic narratives of progress If Benjamin regards the Paris arcade as a microcosm of high capitalism wherein the un making of industrial society is perceived retrospectively in contemporary queer narrative we see the sexually charged and commodity entranced space of the gay bathhouse as a microcosm of late capitalism and as an exemplary site for excavating the contradictions of mass sex In Chisholm s book we discover how looking back on the ruins of queer mecca queer authors return to Benjamin to advance his dialectics of seeing how they cruise the paradoxes of market capital blasting a queer era out of the homogeneous course of history

The Oxford Encyclopedia of American Literature Jay Parini, 2004 The Encyclopedia of American Literature gathers together 350 essays from over 190 leading scholars on the whole of American literature from European discovery to the present At the core of the Encyclopedia lie 250 essays on poets playwrights essayists and novelists Figures such as Whitman Melville Faulkner Frost and Morrison are discussed in detail with each examined in the context of his or her times an assessment of the writer s current reputation a bibliography of major works and a list of major critical and biographical works about the writer Fifty entries on major works such as Moby Dick Song of Myself Walden The Great Gatsby The Waste Land Their Eyes Were Watching God Death of a Salesman and Beloved place the work in its historical context and offer a range of possibilities with regard to critical approach The Encyclopedia also contains essays on literary movements periods and themes pulling together a broad range of information and making connections between them Each entry has its own primary and annotated secondary bibliography and a system of cross references helps readers locate information with ease The Encyclopedia of American Literature is an outstanding reference source for students studying authors or particular pieces of literature libraries looking for one comprehensive source and readers interested in American literature its authors and its connection with various areas of study

Power and the Pursuit of Peace: Theory and Practice in the History of Relations Between States F. H. Hinsley, Francis Harry Hinsley, 1967-10 In the last years of the nineteenth century peace proposals were first stimulated by fear of the danger of war rather than in consequence of its outbreak In this study of the nature and history of international relations Mr Hinsley presents his conclusions about the causes of war and the development of men s efforts to avoid it In the first part he examines international theories from the end of the middle ages to the establishment of the League of Nations in their historical setting This enables him to show how far modern peace proposals are merely copies or elaborations of earlier schemes He believes there has been a marked reluctance to test these

theories not only against the formidable criticisms of men like Rousseau Kant and Bentham but also against what we have learned about the nature of international relations and the history of the practice of states This leads him to the second part of his study an analysis of the origins of the modern states system and of its evolution between the eighteenth century and the First World War **Paper Air** ,1982 **Silence and Power** Mary Lynn Broe,1991 Seventeen essayists study this enigmatic author s works not in the traditional style in which they were first reviewed but rather through a range of contemporary interpretations that resituate Barnes in the context of literary theory and feminist revisions of modernism Paper edition unseen 13 95 Annotation copyrighted by Book News Inc Portland OR Comics and Modernism Jonathan Najarian,2024-01-18 Contributions by David M Ball Scott Bukatman Hillary Chute Jean Lee Cole Louise Kane Matthew Levay Andrei Molotiu Jonathan Najarian Katherine Roeder Noa Saunders Cl mence Sfadj Nick Sturm Glenn Willmott and Daniel Worden Since the early 1990s cartoonist Art Spiegelman has made the case that comics are the natural inheritor of the aesthetic tradition associated with the modernist movement of the early twentieth century In recent years scholars have begun to place greater import on the shared historical circumstances of early comics and literary and artistic modernism Comics and Modernism History Form and Culture is an interdisciplinary consideration of myriad social cultural and aesthetic connections Filling a gap in current scholarship an impressively diverse group of scholars approaches the topic from a variety of disciplinary backgrounds and methodologies Drawing on work in literary studies art history film studies philosophy and material culture studies contributors attend to the dynamic relationship between avant garde art literature and comics Essays by both established and emerging voices examine topics as divergent as early twentieth century film museum exhibitions newspaper journalism magazine illustration and transnational literary circulation In presenting varied critical approaches this book highlights important interpretive questions for the field Contributors sometimes arrive at thoughtful consensus and at other times settle on productive disagreements Ultimately this collection aims to extend traditional lines of inquiry in both comics studies and modernist studies and to reveal overlaps between ostensibly disparate artistic practices and movements
