Congress. House. Committee on Armed Services. Procurement and Military Nuclear Systems Subcommittee, 1983 *"A" Western Filmmakers* Henryk Hoffmann, 2024-10-16 From High Noon to Unforgiven the A Western represents the pinnacle of Western filmmaking More intellectual ambitious and time consuming than the readily produced B or serial Westerns these films rely on hundreds of talented artists This comprehensive reference work provides biographies and Western filmographies for nearly 1 000 men and women who have contributed to at least three A Westerns These contributors are arranged by their role in film production Cinematographers composers actors actresses and directors receive complete biographical treatment writers whose work was used in at least two Westerns are also featured An appendix lists well known actors who have appeared in either one or two A Westerns as specified **Our Navy, the Standard Publication of the U.S. Navy**, 1919 **World Whiskey** DK, 2016-11-01 World Whiskey is your nation by nation whiskey bible to more than 700 varieties and top award winners from around the world Featuring an up to date photograph for each type to aid in recognition this comprehensive reference guides you through every important distilling nation from Dewar s and Macallan in Scotland to Jack Daniel s and Maker s Mark in the United States to Amrut and Lammerlaw in Asia and Australasia Its nation by nation A to Z format makes it accessible for confirmed whiskey lovers and new converts alike Tasting notes and information on the factors that contribute to each variety s unique flavor help you explore and enjoy this distinctive spirit Learn about every aspect of whiskey production gain insight into the operation and secrets of featured distilleries use whiskey tour maps to plan trips around major whiskey producing regions and much more With this completely up to date edition of World Whiskey you are sure to find a satisfying dram wherever you are **The Age of Smoke** Frank Uekötter, 2009-02-15 In 1880 coal was the primary energy source for everything from home heating to industry Regions where coal was readily available such as the Ruhr Valley in Germany and western Pennsylvania in the United States witnessed exponential growth yet also suffered the greatest damage from coal pollution These conditions prompted civic activism in the form of anti smoke campaigns to attack

the unsightly physical manifestations of coal burning This early period witnessed significant cooperation between industrialists government and citizens to combat the smoke problem It was not until the 1960s when attention shifted from dust and grime to hazardous invisible gases that cooperation dissipated and protests took an antagonistic turn The Age of Smoke presents an original comparative history of environmental policy and protest in the United States and Germany Dividing this history into distinct eras 1880 to World War I interwar post World War II to 1970 Frank Uekoetter compares and contrasts the influence of political class and social structures scientific communities engineers industrial lobbies and environmental groups in each nation He concludes with a discussion of the environmental revolution arguing that there were indeed two environmental revolutions in both countries one societal where changing values gave urgency to air pollution control the other institutional where changes in policies tried to catch up with shifting sentiments Focusing on a critical period in environmental history The Age of Smoke provides a valuable study of policy development in two modern industrial nations and the rise of civic activism to combat air pollution As Uekoetter s work reveals the cooperative approaches developed in an earlier era offer valuable lessons and perhaps the best hope for future progress
