Snakes Pillow And Other Stories:

Snake's Pillow and Other Stories Zhu Lin, 1998-02-01 Jiangnan that part of east central China watered by the Yangzi River is the ironically Edenic setting for these six powerful tales of devotion betrayal and defilement Zhu Lin a uniquely angry female voice on China's literary scene takes a particular interest in the plight of young women whose exceptional qualities condemn them to exploitation by men No other contemporary Chinese writer renders the hostility of rural society toward women in such stark and ultimately tragic terms Serpents tyrannize the innocent in this fictional Jiangnan garden The title story refers to a fragrant blood red flower known as the snake's pillow which symbolizes an innocent girl betrayed and violated by a male figure of authority Immersed in the heady and sensual imagery of the natural world Zhu Lin's female protagonists invite comparisons not only with Eve but also with Thomas Hardy's Tess Zhu Lin has said of her fiction that its purpose is to summon the souls of readers who have lost themselves in the turbulence of a society in the transition to modernity and then to restore these lost souls to the bodies they have left An evocation of both flesh and spirit these Jiangnan stories give voice to the complex and disturbing experience of women in a changing society *Biographical Dictionary of Chinese Women: v. 2: Twentieth Century* Lily Xiao Hong Lee, 2016-07-08 The first biographical dictionary in any Western language devoted solely to Chinese women Biographical Dictionary of Chinese Women is the product of years of research translation and writing by scores of China scholars from around the world Volume II Twentieth Century includes a far greater range of women than would have been previously possible because of the enormous amount of historical material and scholarly research that has become available recently They include scientists businesswomen sportswomen military officers writers scholars revolutionary heroines politicians musicians opera stars film stars artists educators nuns and more *Short Story Index*, 1999 **Chinese Literature and the Child** K. Foster, 2013-10-22 Tracking ideas of the child in Chinese society across the twentieth century Kate Foster places fictional children within the story of the nation in a study of tropes and themes which range from images of strength and purity to the murderous and amoral *Chinese Literature in the Second Half of a Modern Century* Pang-Yuan Chi, David Der-wei Wang, 2000-09-22 an important contribution to the study of recent Chinese literature Choice This fine scholarly survey of Chinese literature since 1949 discusses such trends as modernism nativism realism root seeking and scar literature misty poets and political feminist and societal issues in modern Chinese literature Library Journal This volume is a survey of modern Chinese literature in the second half of the twentieth century It has three goals 1 to introduce figures works movements and debates that constitute the dynamics of Chinese literature from 1949 to the end of the century 2 to depict the enunciative endeavors ranging from ideological treatises to avant garde experiments that inform the polyphonic discourse of Chinese cultural politics 3 to observe the historical factors that enacted the interplay of literary post modernities across the Chinese communities in the Mainland Taiwan Hong Kong and overseas **Blades of Grass** Lao She, 1999-10-01 If you want to write good short stories Lao She once observed you

have to give it everything you've got. The world will allow the existence of a very imperfect novel but it won't be that polite with a short story. Art after all is not like a pig: the fatter the better. Lao She's stories proved to be very good indeed, moving and delighting readers for many years and establishing him as a master of classic modern fiction. Thankfully we now have access to a rich collection of his short stories in superb English translations. These stories showcase the varied facets of Lao She's impressive talent and draw us effortlessly into his world and we emerge the better for it. This is a writer eternally immersed in and fascinated by the kaleidoscope of humankind. The stories are characterized by humor and by intensely sympathetic explorations of human relationships. Some of them are unsettling. Many are poignant. Most of them make us laugh. All evoke the color and energy of life. For Lao She is also a connoisseur of the everyday with a keen appreciation of the concrete detail: A plate of steaming dumplings, the gleam of gold-capped front teeth, rickshaws dragging along alleys, punishing winter winds, rolls of bright silk, a pair of chopsticks: these things are the stuff of Lao She's fiction and the essence of his metaphors and he cherishes such little details of life more than the abstractions of politics or philosophy.

Snake Ring at Risk & Other Stories John Holroyd, 2016-11-10. Snake Ring at Risk Other Stories is a heartwarming collection of fantasy short stories that will appeal to readers age 9 and above. Continuing on from John Holroyd's previous book The Strange Tale of the Snake Ring, this collection centres on the story Snake Ring at Risk which sees Thomas and Gerda's most treasured possession, the magic snake ring, being the centre of a feud with Gruninax, a mighty wizard. After making a promise that the ring would never leave his family, Thomas is put under immense pressure when Gruninax goes to extreme lengths to secure ownership of the ring. Plagues of locusts and beetles are unleashed, livestock is killed and houses demolished. What happens will surprise you. Other stories include Pie and the Witch, Like Nothing on Earth and Jack's Revenge. Each story includes strong moral messages for children, whether it's to think about the consequences of their actions or to not judge a book by its cover. The stories are focussed on younger children, allowing a direct comparison between reader and character and will appeal to children aged 9 and over as well as parents who enjoy reading with their children.

The Money Demon Diexian Chen, 1999-01-01. It's such a pity I too used to think of money and love as entirely separate things. So begins this popular autobiographical novel written by litterateur, inventor and business tycoon Chen Diexian, 1879-1940, a remarkable intellectual whose life spanned the old China and the new. Chen's novel is the story of his youth and in it he chooses to focus on his amorous and erotic development, a rare subject in Chinese literature, revealing his passage from innocent boy surrounded by females to young man armed with a new attitude toward money, business and the women in his life. Chen's unusual narrative, intimately combining romance and exhibitionism, unfolds to us an intriguing material reality as well as a powerful emotional world and may well be the first extended account of Chinese childhood and youth. The novel is built on our narrator's relationships with the central women in his life: his mother, an affectionate nanny, his devoted wife by an arranged marriage, a tragic peasant girl and above all, the girl next door and his most enduring love, known after the

instrument she plays as Koto Patrick Hanan's graceful translation brings us Chen's story at its disarming best a popular romance that is at the same time original and distinctive in both voice and theme First serialized in Shanghai in 1913 The Money Demon appears in English for the first time included in an appendix is The Koto Story a short epilogue to the novel

Sino-Japanese Transculturation Richard King, Cody Poulton, Katsuhiko Endo, 2012 This is a multi author work which examines the cultural dimensions of the relations between East Asia's two great powers China and Japan in a period of change and turmoil from the late nineteenth century to the end of the Second World War This period saw Japanese invasion of China the occupation of China's North east Manchuria and Taiwan and war between the two nations from 1937-1945 the scars of that war are still evident in relations between the two countries today In their quest for modernity the rulers and leading thinkers of China and Japan defined themselves in contradistinction to the other influenced both by traditional bonds of classical culture and by the influx of new Western ideas that flowed through Japan to China The experiences of intellectual and cultural awakening in the two countries were inextricably linked as our studies of poetry fiction philosophy theatre and popular culture demonstrate The chapters explore this process of transculturation the sharing and exchange of ideas and artistic expression not only in Japan and China but in the larger region which Joshua Fogel has called the Sinosphere an area including Korea and parts of Southeast Asia with a shared heritage of Confucian statecraft and values underpinned by the classical Chinese language The authors of the chapters who include established senior academics and younger scholars and employ a range of disciplines and methodologies were selected by the editors for their expertise in particular aspects of this rich and complex cultural relationship As for the editors Richard King and Cody Poulton are scholars and translators of Chinese literature and Japanese theatre respectively each taking a historical and comparative perspective to the study of their subject Katsuhiko Endo is an intellectual historian dealing with both Japan and China
