Snakes Pillow And Other Stories:

Snake's Pillow and Other Stories Zhu Lin, 1998-02-01 Jiangnan that part of east central China watered by the Yangzi River is the ironically Edenic setting for these six powerful tales of devotion betrayal and defilement Zhu Lin a uniquely angry female voice on China's literary scene takes a particular interest in the plight of young women whose exceptional qualities condemn them to exploitation by men No other contemporary Chinese writer renders the hostility of rural society toward women in such stark and ultimately tragic terms Serpents tyrannize the innocent in this fictional Jiangnan garden The title story refers to a fragrant blood red flower known as the snake's pillow which symbolizes an innocent girl betrayed and violated by a male figure of authority Immersed in the heady and sensual imagery of the natural world Zhu Lin's female protagonists invite comparisons not only with Eve but also with Thomas Hardy's Tess Zhu Lin has said of her fiction that its purpose is to summon the souls of readers who have lost themselves in the turbulence of a society in the transition to modernity and then to restore these lost souls to the bodies they have left An evocation of both flesh and spirit these Jiangnan stories give voice to the complex and disturbing experience of women in a changing society **Biographical Dictionary of**

have to give it everything you've got. The world will allow the existence of a very imperfect novel but it won't be that polite with a short story. Art after all is not like a pig: the fatter the better. Lao She's stories proved to be very good indeed, moving and delighting readers for many years and establishing him as a master of classic modern fiction. Thankfully we now have access to a rich collection of his short stories in superb English translations. These stories showcase the varied facets of Lao She's impressive talent and draw us effortlessly into his world and we emerge the better for it. This is a writer eternally immersed in and fascinated by the kaleidoscope of humankind. The stories are characterized by humor and by intensely sympathetic explorations of human relationships. Some of them are unsettling. Many are poignant. Most of them make us laugh. All evoke the color and energy of life. For Lao She is also a connoisseur of the everyday with a keen appreciation of the concrete detail: A plate of steaming dumplings, the gleam of gold-capped front teeth, rickshaws dragging along alleys, punishing winter winds, rolls of bright silk, a pair of chopsticks: these things are the stuff of Lao She's fiction and the essence of his metaphors and he cherishes such little details of life more than the abstractions of politics or philosophy.

Snake Ring at Risk & Other Stories John Holroyd, 2016-11-10. *Snake Ring at Risk: Other Stories* is a heartwarming collection of fantasy short stories that will appeal to readers age 9 and above. Continuing on from John Holroyd's previous book *The Strange Tale of the Snake Ring*, this collection centres on the story *Snake Ring at Risk* which sees Thomas and Gerda's most treasured possession, the magic snake ring, being the centre of a feud with Gruninax, a mighty wizard. After making a promise that the ring would never leave his family, Thomas is put under immense pressure when Gruninax goes to extreme lengths to secure ownership of the ring. Plagues of locusts and beetles are unleashed, livestock is killed and houses demolished. What happens will surprise you. Other stories include *Pie and the Witch*, *Like Nothing on Earth* and *Jack's Revenge*. Each story includes strong moral messages for children, whether it's to think about the consequences of their actions or to not judge a book by its cover. The stories are focussed on younger children, allowing a direct comparison between reader and character, and will appeal to children aged 9 and over as well as parents who enjoy reading with their children.

The Money Demon Diexian Chen, 1999-01-01. It's such a pity I too used to think of money and love as entirely separate things. So begins this popular autobiographical novel written by litterateur, inventor and business tycoon Chen Diexian, 1879-1940, a remarkable intellectual whose life spanned the old China and the new. Chen's novel is the story of his youth and in it he chooses to focus on his amorous and erotic development, a rare subject in Chinese literature, revealing his passage from innocent boy surrounded by females to young man armed with a new attitude toward money, business and the women in his life. Chen's unusual narrative, intimately combining romance and exhibitionism, unfolds to us an intriguing material reality as well as a powerful emotional world and may well be the first extended account of Chinese childhood and youth. The novel is built on our narrator's relationships with the central women in his life: his mother, an affectionate nanny, his devoted wife by an arranged marriage, a tragic peasant girl and above all, the girl next door and his most enduring love, known after the

instrument she plays as Koto Patrick Hanan's graceful translation brings us Chen's story at its disarming best a popular romance that is at the same time original and distinctive in both voice and theme First serialized in Shanghai in 1913 The Money Demon appears in English for the first time included in an appendix is The Koto Story a short epilogue to the novel
