Pryke, 2020-11-12 As ancient creatures that once shared the Earth with dinosaurs turtles have played a crucial role in maintaining healthy terrestrial and marine ecosystems for more than one hundred million years While it may not set records for speed on land the turtle is exceptional at distance swimming and deep diving and some are gifted with astounding longevity In human thought the animal's ties to creativity wisdom and warfare stretch back to the world's earliest written records In Turtle Louise M Pryke celebrates the slow and unassuming manner of this doughty creature which provides a living model of endurance and efficiency In the increasingly fast paced world of the twenty first century it has never been more important to consider the natural and cultural history of this remarkable animal *Leasure's Stories of Farm Life and Human Challenges* Rodger Leasure, 2022-11-03 These short stories relate directly to actual events in the author's life They are real events and while humor is injected into the stories there are tragic everyday occurrences that impact our dwindling animal life The author believes deeply that we are both unaware and cruel in our treatment of the various species and the unawareness could lead to serious consequences The author also is aware that the targeted age group for these stories is five through seven years and believes that it is not for him to teach children their values He believes that responsibility rests with the parents Therefore the stories are written in such a way to be positive and humorous At the same time the author attempts to capture the strength behind the concept of helping one another and the role of friendship in any situation involving the need for assistance from a loved one a neighbor or an acquaintance The author does not seek literary recognition Rather he is objective in realizing what impact modern technology has played in denying the youth of our world from enjoying those long walks to distant fishing spots the consequences of television overdose and the impact of the loss of innocence at younger ages The unresolved question is Whatever happened to the cookie and glass of milk at the end of the school day **The Winners in Life's Race; Or, The Great Backboned Family** Arabella Burton Buckley, 1901 Winners
