Arms Andrew Somerset, 2015-09-15 After a fifteen year hiatus from the world of guns journalist sports shooter and former soldier A J Somerset no longer fit in with other firearm enthusiasts Theirs was a culture much different than the one he remembered a culture more radical less tolerant and more immovable in its beliefs as if each gun had come with a free bonus ideological Family Pack of political tenets a ready made identity To find the origins of this surprising shift Somerset began mapping the cultural history of guns and gun ownership in North America *Arms The Culture and Credo of Gun* is the brilliant result How were firearms transformed from tools used by pioneers into symbols of modern manhood Why did the NRA s focus shift from encouraging responsible gun use

to lobbying against gun safety laws What is the relationship between gun ownership and racism in America How have the film television and video game industries molded our perception of gun violence When did the fear of gun seizures arise and how has it been used to benefit arms manufacturers lobbyists and the far right Few ideas divide communities as much as those involving firearms and fewer authors are able to tackle the subject with the same authority humor and intelligence Written from the unique perspective of a gun lover who s disgusted with what gun culture has become Arms is destined to be one of the most talked about books of the year Let It Be Written Arlene Hill,2015-04-13 Summer events as recorded by various members of the Bradshaw family and cousin Leon Frank through letters and journals demonstrating different viewpoints **What Is Real? or Doll Society at Hillhouse** Arlene Hill,2015-04-10 The true adventures of the dolls who lived in our home with our children *The Complete Peanuts Vol. 1* Charles Schulz,2004-05-19 This first volume covering the first two and a quarter years of the strip will be of particular fascination toPeanuts aficionados worldwide Although there have been literally hundreds of Peanuts books published many of the strips from the series first two or three years have never been collected before in large part because they showed a young Schulz working out the kinks in his new strip and include some characterizations and designs that are quite different from the cast we re all familiar with Among other things three major cast members Schroeder Lucy and Linus initially show up as infants and only grow into their final mature selves as the months go by Even Snoopy debuts as a puppy Thus The Complete Peanuts offers a unique chance to see a master of the art form refine his skills and solidify his universe day by day week by week month by month *Catalog of Copyright Entries.
