Snow Geese A Story Of Home:

The Snow Geese William Fiennes,2002 In a debut of great delicacy and distinction a young nature philosopher describes his journey as he follows the northern migration of the snow goose and reflects on the powerful attraction of home Every spring millions of geese embark on an arduous three thousand mile homeward journey from their winter quarters in the southern United States to their breeding grounds in the Canadian Arctic One year William Fiennes recovering from a long illness decided to go with them Intrigued by what he d read about the birds extraordinary annual journey he was also desperate to escape the depression that had dogged his convalescence and the belief that at age twenty six his life had ground to a halt Part memoir part nature study part travelogue the story of Fiennes s journey is not just about geese It s about homecoming the birds on their long trip home the pull of nostalgia the urge to leave home and the even stronger urge to return Fiennes is a gifted natural writer with a distinctive voice that is deeply thoughtful wry and keenly observant His book vibrates with ideas with stories and anecdotes with humankind as well as wild fowl The joy of being alive being on the move and above all going home are poignantly captured in this intelligent exuberant book *The Snow Geese* William Fiennes,2010-07-07 In a debut of great delicacy and distinction a young nature philosopher describes his journey as he follows the northern migration of the snow goose and reflects on the powerful attraction of home Every spring millions of geese embark on an arduous three thousand mile homeward journey from their winter quarters in the southern United States to their breeding grounds in the Canadian Arctic One year William Fiennes recovering from a long illness decided to go with them Intrigued by what he d read about the birds extraordinary annual journey he was also desperate to escape the depression that had dogged his convalescence and the belief that at age twenty six his life had ground to a halt Part memoir part nature study part travelogue the story of Fiennes s journey is not just about geese It s about homecoming the birds on their long trip home the pull of nostalgia the urge to leave home and the even stronger urge to return Fiennes is a gifted natural writer with a distinctive voice that is deeply thoughtful wry and keenly observant His book vibrates with ideas with stories and anecdotes with humankind as well as wild fowl The joy of being alive being on the move and above all going home are poignantly captured in this intelligent exuberant book *Going Places* Robert Burgin,2013-01-08 Successfully navigate the rich world of travel narratives and identify fiction and nonfiction read alike with this detailed and expertly constructed guide Just as savvy travelers make use of guidebooks to help navigate the hundreds of countries around the globe smart librarians need a guidebook that makes sense of the world of travel narratives *Going Places A Reader s Guide to Travel Narratives* meets that demand helping librarians assist patrons in finding the nonfiction books that most interest them It will also serve to help users better understand the genre and their own reading interests The book examines the subgenres of the travel narrative genre in its seven chapters categorizing and describing approximately 600 titles according to genres and broad reading interests and identifying hundreds of other fiction and nonfiction titles as read alike and related reads by

shared key topics The author has also identified award winning titles and spotlighted further resources on travel lit making this work an ideal guide for readers advisors as well a book general readers will enjoy browsing **Life Stories** Maureen O'Connor,2011-08-23 Memoirs autobiographies and diaries represent the most personal and most intimate of genres as well as one of the most abundant and popular Gain new understanding and better serve your readers with this detailed genre guide to nearly 700 titles that also includes notes on more than 2 800 read alike and other related titles The popularity of this body of literature has grown in recent years and it has also diversified in terms of the types of stories being told and persons telling them In the past readers advisors have depended on access by names or Dewey classifications and subjects to help readers find autobiographies they will enjoy This guide offers an alternative organizing the literature according to popular genres subgenres and themes that reflect common reading interests Describing titles that range from travel and adventure classics and celebrity autobiographies to foodie memoirs and environmental reads Life Stories A Guide to Reading Interests in Memoirs Autobiographies and Diaries presents a unique overview of the genre that specifically addresses the needs of readers advisors and others who work with readers in finding books The Myth of Emptiness and the New American Literature of Place Wendy Harding,2014-10-01 From the moment the first English speaking explorers and settlers arrived on the North American continent many have described its various locations and environments as empty Indeed much of American national history and culture is bound up with the idea that parts of the landscape are empty and thus open for colonization settlement economic improvement claim staking taming civilizing cultivating and the exploitation of resources In turn most Euro American nonfiction written about the landscape has treated it either as an object to be acted upon by the author or an empty space unspoiled by human contamination to which the solitary individual goes to be refreshed and rejuvenated In The Myth of Emptiness and the New American Literature of Place Wendy Harding identifies an important recent development in the literature of place that corrects the misperceptions resulting from these tropes Works by Rick Bass Charles Bowden Ellen Meloy Jonathan Raban Rebecca Solnit and Robert Sullivan move away from the tradition of nature writing with its emphasis on the solitary individual communing with nature in uninhabited places to recognize the interactions of human and other than human presences in the land In different ways all six writers reveal a more historically complex relationship between Americans and their environments In this new literature of place writers revisit abandoned threatened or damaged sites that were once represented as devoid of human presence and dig deeper to reveal that they are in fact full of the signs of human activity These writers are interested in the role of social political and cultural relationships and the traces they leave on the landscape Throughout her exploration Harding adopts a transdisciplinary perspective that draws on the theories of geographers historians sociologists and philosophers to understand the reasons for the enduring perception of emptiness in the American landscape and how this new literature of place works with and against these ideas She reminds us that by understanding and integrating human impacts into accounts of the landscape we are better equipped

to fully reckon with the natural and cultural crisis that engulfs all landscapes today **Walking Seasonal Roads** Mary A. Hood, 2012-05-18 Seasonal roads are defined as one lane dirt roads not maintained during the winter They function as connectors linking farmers to their fields neighbors to neighbors or two more well traveled roads to each other Some access hunting lands and recreational areas Some pass by cemeteries allowing people to visit and honor their dead They can be abandoned as people move and towns fade In every incarnation the seasonal road touches the land in a gentler way than do other roads Having traveled nearly every seasonal road in Steuben County New York Hood finds they provide the ideal vantage to contemplate the meaning of place offering intimate contact with plant and wildlife and the beauty of a rural landscape Each road reveals how our land is used how our land is protected and how environmental factors have impacted the land As a literary naturalist Hood reflects on endangered species and invasive species as well as on issues of conservation and sustainability From state forests to potato fields from development along Keuka Lake to vineyards from old family cemeteries to logging sites *Walking Seasonal Roads* is a celebration and an honoring of the rural and the regionalism of place illustrating the ways we connect to our home and to each other **Natural Missouri** Napier Shelton, 2005 Along the way he interviewed professional resource managers and naturalists biologists interpreters conservation agents engineers farmers hunters fishermen writers and many others in an effort to gain a perspective that only people who work with the land for business or for pleasure can have Shelton describes a range of land management philosophies and techniques from largely hands off as in state parks to largely hands on as in farming He also addresses the questions that surround some of the more controversial practices such as the use of fire for land management and the introduction of nonnative species Jacket *And Even Misery Needs Company (A Pact with Demons, Story #8)* Michael R.E.
