## **Snowshoes And Spotted Dick:**

*Snowshoes & Spotted Dick* Chris Czajkowski, 2003      **Lonesome** Chris Czajkowski, 2011-02-01 Charming humorous and utterly engaging this is a book that will make readers laugh and cry Written from the point of view and in the voice of the author's dog Lonesome its observations of life in the wilds reveal a dog with great character charm and attitude Named for her first home remote Lonesome Lake in British Columbia's Tweedsmuir Park Lonesome was a first rate companion obedient mannerly brave yet occasionally cynical She did not share her human's love of the wilderness and wore a martyred expression for most of her life She would have much preferred a life in the suburbs with nice safe walks in the park and a cozy bed inside the house Lonesome's memoirs paint a vivid and not altogether flattering picture of her life with Chris but as she states I am not a vindictive creature and this book will remain family reading Lonesome loftily points out in her introduction that her book focuses on events not already recounted in Chris's previous books and she shares her unique canine perspective on their day to day life in the wilds      *Harry* Chris Czajkowski, 2017-09-16 Living alone in the remote wilderness Chris Czajkowski has given her dogs a rich life although not without its difficulties Often residing in areas accessible only by float plane the dogs have encountered grizzlies and cougars slept in the snow hiked with packs of food and equipment and occasionally gotten themselves into scrapes such as becoming lost in the wild or falling through ice into a freezing river In *Harry A Wilderness Dog Saga* the gregarious and lovable Harry gives his account of their years together at Nuk Tessli and Ginty Creek The story includes reminiscences about past dogs in Chris's life including wise Badger not so bright Sport beautiful Ginger and Lonesome Harry's trail blazing literary predecessor Together they trace Chris's off the grid life from a dog's eye view as she established an ecotourism business built cabins by hand and scratched out a living for herself and the pack The book captures the humour and wisdom of a canine perspective in a way that is instantly familiar to anyone who has known and loved dogs Although Harry does not yearn for city comforts like Lonesome he is often baffled by Chris's incomprehensible doings and illogical priorities Full of the irrepressible exploits of Harry and his canine companions *Harry A Wilderness Dog Saga* is sure to be a new favourite of animal lovers and anyone who's ever dreamed of packing up and moving far away from city amenities with only a loyal dog for company      **Canadian Books in Print. Author and Title Index**, 1975      *Birds of the Raincoast* Harvey Thommasen, Kevin Hutchings, Mark Hume, 2004 Winner of the 2005 BC Booksellers Choice Award in Honour of Bill Duthie *Birds of the Raincoast* is a book that moves beyond simple identification to probe deeper into the lives of our feathered friends      **Book Review Index Cumulation** Dana Ferguson, 2005-09 Book Review Index provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular academic and professional interests The up to date coverage wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool More than 600 publications are indexed including journals and national general interest publications and newspapers Book Review Index is

available in a three issue subscription covering the current year or as an annual cumulation covering the past year
