who protected us even in the darkest times of war he later recalled never forgetting her sacrifices Despite their hardships the boy never gave up on learning His steps toward the city were filled with hope for a better future By the 1960s he had become a public servant in Seoul working diligently while starting his own family In 1970 he met his lifelong partner and with the birth of his first son his life gained a new purpose I wanted to give my family the same love my mother had given me he said a vow that became the driving force of his life In 1998 his first son got married and moved out leaving the father with mixed emotions of pride and emptiness When his first grandchild was born in 2000 he retired marking the start of a new chapter Now the protagonists of my life are my children and their children he said with a bittersweet smile In 2004 he started a new habit He began sending his first son short poems and stories via email His poems became a bridge between the past and the present containing reflections on the scars of war his love for family and the lessons he had learned over the years For more than 20 years his emails continued to arrive week after week month after month These poems are my life and the truest legacy I can leave you he said His writings were not merely poems but a record of his life and a profound expression of love for his family The poetry collection Beneath the First Snow a Dream being published this time is based on 50 poems selected from over 300 written by my father The central themes of the collection are as follows 1 Harmony Between Nature and Humanity Nature is not merely a backdrop but serves as a mirror reflecting human emotions and experiences Examples The Song of the Blue Valley Whispers of the Silver Grass In the Silence of Cheonchuk Mountain The poetic perspective highlights finding solace and healing in the grandeur and serenity of nature 2 The Passage of Time and Memory Through the changes of seasons and the cycles of nature the poems emphasize the ephemerality and preciousness of life Examples The Whisper of the Autumn Leaves Whisper of the First Snow At the Year's End Time flows connecting the past present and future 3 The Beauty of Everyday Moments The collection cherishes ordinary moments elevating them with poetic sensibility Examples A Beer with a Friend During Overtime Watching the Setting Sun The Last Dinner of the Year The true value of life is discovered in the seemingly trivial moments 4 Solitude and Comfort The poems confront individual loneliness and transform it into comfort and solace Examples The Empty Room In the Name of Emptiness A Greeting in the Rainy Dawn Even in silent moments the message seeks to uncover sparks of hope 5 Youth and Growth The collection poetically explores the passions struggles and growth of the younger generation Examples Awaken Youth Hope Blooming in Chaos A Daydream of August It interprets youthful energy positively encouraging movement toward the future 6 Connection and Relationships It beautifully depicts bonds with family friends and colleagues Examples Precious Colleagues Chuseok Warmth Beneath the Moonlight One Glass of Comfort Two Glasses of Laughter It emphasizes the warmth of relationships and the power of connection 7 Hope and Renewal The poems sing of finding hope even in hardship and the possibility of renewal Examples The Spring of Hope Hope Blooming Amid Chaos The Sunrise Hill They encourage new beginnings and recovery after despair A Son's Perspective Now his son wishes to turn those poems into a book As his eldest son I hoped that my father's poetry would not remain confined to

me alone To make it relatable for younger generations I modernized the language and added illustrations to complete this collection This book is more than just a collection of poems it is a legacy of my father s life and a bridge between generations Through these poems which carry the clarity and warmth of the first snow I hope readers can reflect on their own dreams and love A Message to Readers Hope This collection shares the solace and hope discovered in nature Legacy It invites readers to reflect on their own stories through the record of one family s life Connection By bridging generations the poems gently embrace our lives with warmth Dream on It Lauri Loewenberg,2011-03-29 Your dreams hold the key to a better fuller life There is a reason we dream at night It s not random nonsense When we are dreaming we are thinking on a much deeper more insightful level than when we re awake When we re dreaming we re actually problem solving it s just in a different language Our minds are speaking to us in codes warning helping and guiding us through our constantly evolving situations in life The mind through dreams is trying to alert us to problems it wants fixed The truth is our best thinking isn t done in the shower it s done while we dream In fact when we say Let me sleep on it what we re really saying is Let me dream on it In this easy to use guide renowned dream analyst Lauri Quinn Loewenberg gives you the tools to interpret the often confounding language of dreams You will learn how to unlock the hidden dream communications your mind wants you to know understand commonly occurring people places and animals as extensions of your personality decipher the real meaning behind nightmares like falling drowning and being chased discover the big messages in seemingly small dream elements as Lauri guides you through dozens of real life dreams use your dreams as a tool to solve your everyday problems and effect real change in your life and relationships reference the most important dream symbols with a comprehensive dream dictionary

Midnight Sun and Other Tales of the Unexplained Murray Earl,2000-10 The Braided Dream Randolph Paul Runyon,2014-07-15 Robert Penn Warren s reputation as a poet though always considerable has soared in the last decade as indicated by his recent selection as America s first poet laureate The Braided Dream is one of the first book length studies of the poetry that has led to Warren s recent rise to eminence and the first to consider his final collection Altitudes and Extensions In a communicable jargon free style that will appeal to the nonacademic reader as well as the serious scholar Randolph Paul Runyon provides a detailed and illuminating guide to a body of poetry that despite its greatness has until now seemed resistant to full understanding Every poem of Warren s last four sequences Now and Then Being Here Rumor Verified and Altitudes and Extensions is given a close reading with a precise laying out of words phrases and recurring images that not only enrich the texture of the poetry but are themselves the texture Runyon demonstrates the relevance of Freud s concept of the dream work of the unconscious to a reading of this tightly interwoven poetry He shows how Warren s poems assume additional meanings by the poet s very arrangement of them deepening his thesis by arguing that poems eat poems as each reuses and reconceptualizes the imagery of its predecessor frequently with ironic or parodic effect

Letts, 2009-03-24 Fully revised with Reader's Guide Self Exploration Questions chapter reviews and expanded Moita material Reading Mind Leap was one of the most delightful experiences of my summer First I found it an absolutely intriguing story of personal challenge and human relationships But second and most important I found it highly inspiring There are many times in my own spiritual journey that I wonder whether it is all worth the effort whether there really is a greater reality This book is a powerful incentive to keep going an inspiration and a source of hope Joyce E Ansell literary editor How can we learn to live wholly with deep intuition in this world Where can it lead for each of us in this transformative era We hear follow a path with heart listen to your dreams open to spirit But rare is the book that actually takes us far into that experience Mind Leap does so by telling a challenging liberating true story from the consciousness revolution and inviting readers to participate by reviewing their own life events and perceptions A novelist couldn't create spiritual explorers more opposite than Kelly and David growing up the psychic daughter of an abusive alcoholic and mystic son of an activist minister But as young adults with other partners dreams and intuitions pointed each other out hinting of the natural bridge they would form together As they were then tested in a crucible of intersecting lives Moita began to speak through Kelly initiating an experiment in communication between worlds Her over 200 interactive sessions shared with hundreds of participants have been compared to the Seth material Mind Leap reveals the hidden workings of spirit that connect us to people and situations we need to grow in strength freedom and love The narrative unfolds on many levels giving a unique inside view of the channeling phenomenon even as the prophetic messages turn from individuals to the crisis transformation of our Earth We see you all the time are near you yet very rarely can touch for you do not see us For you we are merely a whisper in the trees We have watched for a great many years and now there is a drawing together of worlds a time when the two worlds may touch and not be destroyed by each other when they may integrate and understand The coming together of our worlds will not change just yours but mine Life will never be the same again Moita Dreams Within a Dream Michael Bliss, 2000 What we see and what we seem are but a dream a dream within a dream Michael Bliss views

Miranda's voice over at the beginning of *Picnic at Hanging Rock* is so pivotal in explaining the films of Peter Weir that he borrows her words to create the title of his own study of the Australian filmmaker's work. Bliss views Weir as an artist whose values are rooted in the realm of the dream of the unconscious. Surrealistic in technique, Weir avoids the pedestrian assurances of a material realm in favor of an irresolution that while potentially frustrating is nonetheless for him a more truthful representation of what he considers reality. For Weir, as for Plato, Bliss demonstrates, empirical reality is nothing more than a shadow of what is real. Bliss also considers Weir's heritage. Australian cinema, Bliss explains, is characterized by melodramatic narratives born of a desire to see good and evil portrayed in striking opposition. Weir, for example, dramatizes the contradictory forces of light versus darkness, reason versus mystery, and rationality versus magic in such films as *Picnic at Hanging Rock* and *The Last Wave*. This melodramatic emphasis is evident as well in the polarized characterizations in such films as *Witness*, *Dead Poets Society*, and *The Truman Show*. Bliss also discusses Weir's use of another staple of Australian cinema: mateship, the celebration of the bond between male companions. But by making self-knowledge dependent on action involving one's friends, Weir gives mateship a new meaning. Moreover, like other Australian filmmakers, Weir emphasizes the starkness of the Australian landscape, which functions either as a hazard or a deadly challenge, at least until American mythology caused him to see nature in a more positive light. Also prominent in Weir's films is an Australian spirit of rebellion coupled with the Aussie ambivalence toward all aspects of British culture. To help explain Weir's films, Bliss looks to Freud and Jung, whom Weir has studied, and also to two other prominent purveyors of myth and archetype: Northrop Frye and Joseph Campbell. Virtually all Weir characters struggle toward a new mode of awareness, a psychological awareness based on archetypal truths. Many of his films involve archetypal journeys heading through conflict to spiritual unity. Weir's quest is to find out what we really know and how we know what we know.
