Stephen Gately and Boyzone - Blood Brothers 1976-2009 Emily Herbert, 2010-11-04 Stephen Gately was a singer, songwriter, and actor who alongside Ronan Keating was one of two lead singers in one of the biggest pop bands in the world, Boyzone. With all of their albums reaching number one in the UK chart and a record-breaking sixteen consecutive singles in the top 5 UK Singles chart, they were a huge pop phenomenon. After the initial break-up of Boyzone in 2000, Stephen released a successful solo album which charted in the UK top ten and yielded three UK hit singles. He then went on to star in various successful television and stage productions, including *Joseph and the Amazing Technicolour Dreamcoat*. In 2008, Stephen rejoined his friends as Boyzone reformed for a series of concerts and recordings. The first ever openly gay boy band member, Stephen married Andrew Cowles first in a Las Vegas ceremony in 2003 and then in a civil partnership ceremony in London in 2006. The discovery of Stephen's body by Cowles in their Spanish apartment on 10th October shocked the international music scene and left millions of fans devastated. From a childhood in the working class Sheriff Street area of Dublin to the dizzy heights of international stardom, this book charts the journey of a band and a boy whose tragic loss will be felt by millions.

The Anger Meridian Kaylie Jones, 2015-06-15 A young widow must face the truth about her family and herself At once a suspenseful mystery and a superlatively gripping story of self discovery Shelf Awareness When Merryn Huntley is told by Dallas police that her wealthy husband has been killed in a car accident along with a local waitress her first instinct is to flee in order to protect her nine year old daughter And the only place that feels safe enough is her mother's beautiful isolated home in San Miguel de Allende Mexico Merryn's mother used to tell her When you tell a lie make sure you keep it as close to the truth as possible because it will be easier to remember Now from the moment Merryn arrives she's forced into twisting the truth about how much she knew of her husband's shady business affairs about her own secret lovers and most importantly about how she is beginning to doubt the one person who's always been the greatest influence in her life her mother When two FBI agents show up and ask Merryn questions it only intensifies her compulsion to lie But as her perfect life begins to crumble she must decide whether she can face the most painful reality of all that she has been lying to herself her entire life A compulsively readable novel With engaging characters a compelling story and a seductive sense of place this is a literary treat Booklist This fascinating novel bases its mystery not so much on unfolding events although these are well paced but instead on how a person can live a life parallel to the truth based on an ever shifting set of lies and misrepresentations There's real danger is remaking the truth to avoid conflict and that is never more apparent than in this well crafted book Reviewing the Evidence A seething portrait of a narcissistic mother Jones keeps the action churning but perhaps the novel's greatest feat is Bibi an all too real toxic monster Publishers Weekly An impossible to put down book Ann Hood
