## **So Big:**

**So Big** Edna Ferber, 2023-12-08 Edna Ferber's *So Big* first published in 1924 masterfully weaves a narrative that explores themes of ambition, resilience, and the complex nature of the American Dream through the life of its vibrant protagonist Selina Peake. Set against the backdrop of the early 20th-century Midwest, the novel employs a rich and evocative style characterized by deep characterizations and vivid imagery reflecting Ferber's keen observations of rural life and societal expectations. The story unfolds as Selina navigates her relationship with the land, her family, and her aspirations, portraying both the beauty and harshness of life as she seeks fulfillment in a world defined by gender and class limitations. Edna Ferber, a Pulitzer Prize-winning author and one of the early 20th-century's most prominent writers, drew from her own experiences in a Jewish immigrant family in Wisconsin, which significantly influenced her understanding of the American landscape and its diverse inhabitants. Ferber's background as a newspaper reporter also honed her descriptive powers, allowing her to create authentic characters and settings that resonate with readers. Her dedication to exploring the lives of strong women is beautifully realized in *So Big*, as it represents both a personal and cultural journey. This novel is highly recommended for readers interested in American literature and the historical context of women's roles during the early 20th century. Ferber's nuanced storytelling invites reflection upon societal choices and personal agency, making *So Big* not only a captivating narrative but also a significant contribution to the discourse on American identity and the endurance of the human spirit. Discover Selina's world and allow Ferber's insights to resonate long after turning the final page.

**So Big** Edna Ferber, 2022-01-05T05:05:41Z Selina Peake moves from Chicago to a rural Dutch farming area just outside the city to teach in a one-room school. As she attempts to fit into the community, she learns about her own strength in adapting to rural life. She marries an uneducated but sweet Dutch farmer named Pervus DeJong and has a son Dirk nicknamed So Big. She wishes her son to have the same appreciation for the arts and education she has, and although he becomes an architect, his disillusionment with the architectural apprentice system leads him to a career as a successful bond salesman. He later regrets eschewing his architecture career when he meets a beautiful and eccentric artist. Ferber was not confident in the book's prospects when it was first published. Nevertheless, it became very popular, won her the Pulitzer Prize for Fiction in 1925, and was later made into three different motion pictures. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

**So Big (Illustrated)** Edna Ferber, 1924 This is the famous story of Selina who taught school in a community of hard-working farmers and thrifty wives and found beauty in cabbages. This is the story of her life and of that of her son through all the years of hardships during which she retained her gay unconquerable spirit. It is a novel of power, delicacy, and great understanding. Miss Ferber's vocabulary is rich and vital; she sees material objects with a penetrating and delightful vision; she has portrayed aspects of Chicago more vividly and with greater distinction than any writer I know; she knows the history of the development of Chicago in the industrial age and she is able to convey in a few words the import of

that development she can describe debutantes shop girls and stenographers tell you how they dress how they talk what their working philosophy is with illuminating flashes Burton Rascoe Winner of the 1924 Pulitzer Prize *So Big* is widely regarded as Edna Ferber's crowning achievement A rollicking panorama of Chicago's high and low life this stunning novel follows the travails of gambler's daughter Selina Peake DeJong as she struggles to maintain her dignity her family and her sanity in the face of monumental challenges This is the stunning and unforgettable novel to read and to remember by an author who critics of the 1920s and 1930s did not hesitate to call the greatest American woman novelist of her day New York Times
