So Know You Know:

So, You know YOU, Now What? Sarah Udoh-Grossfurthner, 2022-09-21 In a world where you can be anything why not be undeniably and unapologetically YOU Overcome fear gain confidence and find inner joy When it comes to nurturing empowering and solidifying the amazing YOU discovered in Part I of the FFtF Trilogy determining your worth on your terms cannot be over emphasized Unfortunately some of us leave it to others to define and then tell us who we are and what we are worth The problem with letting others determine what YOU are worth is that they rarely tell you your true worth Most of us dream of impacting and empowering our world and communities But to empower others you must first be empowered because you cannot give what you don't have The 12 tips in this series are designed to help nurture empower and solidify YOU so that YOU can in turn help nurture empower and solidify others Life Is so . . . You Know Deon H. Loughlin, Kate Clark Flora, 2017-10-24 Get a deeper understanding of police shootings through interviews with officers involved in real life cases Today's media is filled with discussions about officer involved shootings Too often missing from that discussion are the police officers' voices and the reality of what happens in actual shooting incidents Through actual interviews with involved officers this book addresses common myths and misunderstandings about these shootings *Shots Fired* is a journey behind the shield and the experiences of the real human beings behind the badge It explores true events through the participants' own eyes and takes readers inside the minds of officers during the actual event The officers detail the roller coaster of emotions and severe trauma experienced during and after a shooting event Along with the intimate in depth explorations of the incidents themselves the book touches the aftermath of police involved shootings the debriefings internal and external investigations and psychological evaluations It challenges many commonly held assumptions created by the media such as the meaning of unarmed and why the police can't just shoot him in the leg creating an understanding that reaches beyond slogans such as hands up don't shoot The book is valuable reading for anyone who wants a deeper understanding of police shootings officers and police departments reporters and politicians and the public who rely on the police to keep them safe

Behind Ghetto Walls Michael Novak, 2017-09-08 This book is about the family lives of some 10 000 children and adults who live in an all Negro public housing project in St Louis The Pruitt Igoe project is only one of the many environments in which urban Negro Americans lived in the 1960s but the character of the family life there shares much with the family life of lower class Negroes as it has been described by other investigators in other cities and at other times in Harlem Chicago New Orleans or Washington D C This book is primarily concerned with private life as it is lived from day to day in a federally built and supported slum The questions which are treated here have to do with the kinds of interpersonal relationships that develop in nuclear families the socialization processes that operate in families as children grow up in a slum environment the informal relationships of children and adolescents and adults with each other and finally the world views the existential framework arising from the life experiences of the Pruitt Igoeans and the ways they make use of this framework to order their experiences and make sense out of them The lives of these persons are examined in terms of life cycles Each child there is born into a constricted world the world of lower class Negro existence and as he grows he is shaped and directed by that existence through the day to day experiences and relationships available to him The crucial transition from child of a family to progenitor of a new family begins in adolescence and for this reason the book pays particular attention to how each new generation of parents expresses the cultural and social structural forces that formed it and continue to constrain its behavior This book in short is about intimate personal life in a particular ghetto setting It does not analyze the larger institutional social structural and ideological forces that provide the social economic and political context in which lower class Negro life is lived These larger macro sociological forces are treated in another volume based on research in the Pruitt Igoe community However this book does draw on the large body of literature on the structural position

of Negroes in American society as background for its analysis of Pruitt Igoe private life **Harper's New Monthly Magazine** Henry Mills Alden, 1867 Harper's informs a diverse body of readers of cultural business political literary and scientific affairs *Emotional Labour in Oral History Research* Jennifer Harding, Verusca Calabria, 2025-02-13 Emotional Labour in Oral History Research critically appraises the many complex ways in which emotion management features in oral history research and its specific implications for the researcher Uniquely this volume draws on oral historians' personal accounts of conducting sensitive research and assesses the applicability of the term emotional labour to this work It examines how oral historians may perform emotional labour highlighting the often hidden emotional toll it takes on them This volume considers how the emotionally taxing implications of conducting sensitive research may be exacerbated or mitigated by the institutional relations and contexts in which the researcher works The authors evaluate recommendations from related disciplinary fields for ways of supporting researchers and consider how an ethics of care can be fostered in local research environments Emotional Labour in Oral History Research engages critically with theories of emotion conceptualisations of emotional labour questions of power and positionality an ethics of care and debate on the impact of neoliberal ideas and policies on the higher education sector This book will be of interest to all those using oral history to conduct sensitive research in all locations and at all career stages including doctoral students academics new to oral history established oral historians community based oral historians and qualitative researchers in adjacent disciplines **National Labor Relations Board V.
