Grandpa's Backstory Larry Taliaferro, 2015-05-18 After facing the realization I was going to become a grandfather to a great little boy it seemed important to tell him something about his family history that occurred before he was born With as busy as he is now in college it may be awhile before he slows down long enough to inquire I simply started at the beginning with the first memory I ever had and chronicled many of the meaningful things in my life as I remembered them I documented grade school high school and college experiences I then moved on to my time in the military and in the working world all the while starting a family with a special woman Trudy my wife of nearly forty seven years The highlights in my life get a treatment including my travels and the events that affected me deeply enough to shape my thinking because I also share my many opinions Here then is Grandpa's Backstory Because Somebody Might Need to Know

Blake McKinley, DDS, 2022-01-31 Being a Grandpa does not come with a book of instructions Every Grandpa is as unique as a fingerprint and each relationship with his grandkids usually molds itself into a customized experience of mutual advice wisdom and suggestions Sometimes you just get crazy with each other The Grandpa's Manual is not a how to book It is a collection of stories encouraging men to become whatever kind of Grandpa they desire to be It is written so the reader can pause put it down and say Hmm I never thought of that Building a relationship with your grandkids is important business So when grandkids look to Grandpa for advice and
