## So Slow The Dawning:

Middlebrow Modernism Melinda J. Cooper, 2022-10-01 Eleanor Dark 1901-85 is one of Australia's most innovative 20th century writers. Her extensive oeuvre includes ten novels published from the early 1930s to the late 1950s and represents a significant engagement with global modernity from a unique position within settler culture. Yet Dark's contribution to 20th century literature has been undervalued in the fields of both Australian literary studies and world literature. Although two biographies have been written about her life, there has been no book-length critical study of her writing published since 1976. Middlebrow Modernism counters this neglect by providing the first full-length critical survey of Eleanor Dark's writing to be published in over four decades. Focusing on the fiction that Dark produced during the interwar years and reading this in the context of her larger body of work, this book positions Dark's writing as important to the study of Australian literature and global modernism. Melinda Cooper argues that Dark's fiction exhibits a distinctive aesthetic of middlebrow modernism which blends attributes of literary modernism with popular fiction. It seeks to mediate and reconcile apparent binaries: modernism and mass culture, liberal humanism and experimental aesthetics, settler society and international modernity. The term middlebrow modernism also captures the way Dark negotiated cosmopolitan commitments with more place-based attachments to nation and local community within the mid-20th century. Middlebrow Modernism posits that Dark's fiction and the broader phenomenon of Australian modernism offer essential case studies for larger debates operating within global modernist and world literature studies, providing perspectives these fields might otherwise miss.

Homestead Homilies Barry Blackstone, 2017-01-31 Relive through reminiscing and remembering a Maine pastor's recollections of boyhood experiences that turned into a minister's messages in old age. After five decades, Barry's first message was preached in 1966. Travel back in time with a lifelong Maineite to his home place, the Blackstone homestead of Perham, Maine. What sparked these homilies was his inheritance of seven acres of the family farm homesteaded in 1861 and the receiving of his grandparent's house built in 1924 at the death of his Uncle Paul. You will probably come to the same conclusion as this coastal Maine pastor: that his seminary training began long before he attended a Bible school in South Carolina in the early 1970s. Flash back with him to the 1950s and 1960s when spiritual lessons were everywhere on his rural potato and dairy farm. Pastor Blackstone didn't know it then but realizes now that he was surrounded by family Bible teachers and friendly Biblical instructors that eventually would inspire this series of sermons. Homestead Homilies is a collection of scriptural observations inspired by a dog named Rover, an uncle named Read, a moonlit night, a barnyard hedge, a day plowing, a grandmother's helpful hand, a bee hive, a simple prayer, a sparrow's song, and many more simple events in a past age where homilies were being preached and now eventually heard. It is the author's prayer that these simple sermons will provoke the reader to remember long lost messages from their distant past.

Victory's Bright Dawn Eric Thomson, 1900 Captain Siobhan Dunmoore wanted to believe the long war against the invading Shrehari Empire had finally banished the ghosts of her past.

But when her ship *Iolanthe* a heavily armed man of war masked as a bulk freighter finds itself in need of replenishment after a long patrol spent stalking human and alien foes she is confronted with events eerily reminiscent of a past she thought buried When evidence of treason and marauders bold enough to strike a Navy outpost leave her no choice Dunmoore knows she must finish the cleanup job Fleet Headquarters ordered her to abandon years ago Fortunately *Iolanthe* and her crew are the perfect instruments with which to dispense much needed retribution despite General Orders and the Fleet's bureaucracy doing their best to tie a captain's hands With her ship taking on the guise of a privateer she sets out on a merciless hunt to eliminate a band of soulless soldiers of fortune and teach the ghosts of her past a lesson they will never forget
