So Young to Die Candice F. Ransom, 1993 Recounts the brief life of the courageous Hannah Senesh a young woman executed by the Nazis in 1944 for her role in an Allied mission to rescue Allied pilots and Jews Original

Unearthing Churchill's Secret Army Martin Mace, 2012-12-19 The Special Operations Executive was one of the most secretive organizations of the Second World War its activities cloaked in mystery and intrigue The fate therefore of many of its agents was not revealed to the general public other than the bare details carved with pride upon the headstones and memorials of those courageous individuals Then in 2003 the first batch of SOE personal files was released by the National Archive Over the course of the following years more and more files were made available Now at last it is possible to tell the stories of all those agents that died in action These are stories of bravery and betrayal incompetence and misfortune of brutal torture and ultimately death Some died when their parachutes failed to open others swallowed their cyanide capsules rather than fall into the hands of the Gestapo many died in combat with the enemy most though were executed by hanging by shooting and even by lethal injection The bodies of many of the lost agents were never found destroyed in the crematoria of such places as Buckenwald Mauthausen and Natzweiler others were buried where they fell All of them should be remembered as having undertaken missions behind enemy lines in the knowledge that they might never return

Representing Childhood and Atrocity Victoria Nesfield, Philip Smith, 2022-12-01 Atrocity presents a problem to the writer of children s literature To represent events of such terrible magnitude and impersonal will as the Holocaust the transatlantic slave trade or the Rwandan genocide such that they fit into a three act structure with a comprehensible moral and a happy ending is to do a disservice to the victims Yet to confront children with the fact of widescale violence without resolution is to confront them with realities that may be emotionally disturbing and even damaging Despite these challenges however there exists a considerable body of work for and about children that addresses atrocity To examine the ways in which writers and artists have attempted to address children s experience of atrocity this collection brings together original essays by an international group of scholars working in the fields of child studies children s literature comics studies education English literature and Holocaust genocide and memory studies It covers a broad geographical range and includes
