## **So Little Time A Novel:**

*So Little Time* John P. Marquand, 2015-07-14 A father frets over his son's future while reexamining his own past in John P. Marquand's enduring portrait of America on the brink of World War II. A script doctor who divides his time between Manhattan, Hollywood, and a country home in New England, Jeffrey Wilson has entered middle age with all the trappings of success. Yet in the months leading up to the attack on Pearl Harbor, he feels increasingly anxious and isolated. He fears that his eldest son, a college sophomore, will be called to fight before he has had a chance to live on his own terms. Two decades ago, Jeffrey served in World War I, and his life since then seems like a series of accidents. Instead of the journalism career he aspired to, he toils to fix other people's plays. By marrying into a prominent family, he gained wealth and stature but sacrificed his autonomy. His friends and acquaintances, most of whom were chosen by his wife, are foolish and vain. Powerless to rewind the clock or hold back the tides of global conflict, Jeffrey offers his son the one piece of advice that is impossible for a young man to hear: Time is running out. Witty, moving, and meticulously observed, *So Little Time* is the story of a crucial period in American history and one man's attempts to make sense of it all.

*So Many Books, So Little Time* Sara Nelson, 2004-10-05 Will make many readers smile with recognition. The New Yorker. Readaholics meet your new best friend, People. This book is bliss. The Boston Globe. Sometimes subtle, sometimes striking, the interplay between our lives and our books is the subject of this unique memoir by well-known publishing correspondent and self-described readaholic Sara Nelson. The project began as an experiment with a simple plan: fifty-two weeks, fifty-two books that fell apart in the first week. It was then that Sara realized the books chose her as much as she chose them, and the rewards and frustrations they brought were nothing she could plan for. From Solzhenitsyn to Laura Zigman, Catherine M. to Captain Underpants, the result is a personal chronicle of insight, wit, and enough infectious enthusiasm to make a passionate reader out of anybody.

*So Much, So Fast, So Little Time* Michael St. Clair, 2011-08-09 This book examines the extraordinary changes that technology brings and how these affect all of us and our families at home, at school, and at our work places with profound consequences for society. Twenty-first-century technology opens up fabulous opportunities but also changes how we relate to each other and warps our sense of time, reality, duty, and privacy. Technologies and time-saving devices make everything happen faster, with the result that we feel busier than ever before. Free time seems in danger of extinction. *So Much, So Fast, So Little Time: Coming to Terms with Rapid Change and Its Consequences* provides fascinating insights about how our changing world is changing our families and our personal relationships, how we travel, behave as consumers and communicate, and how we entertain ourselves and deal with our anxieties. Written in a popular, accessible style, this book describes seven areas of significant societal change, providing concrete examples and engaging stories to illustrate how drastically our right-now mindset has shifted our perception and experience of the world. In the last chapter, the author makes some practical suggestions on how to take thoughtful action to respond to the onslaught of inevitable change.

Literary Agents in the Transatlantic Book Trade Cécile Cottenet,2017-04-07 By way of a case study of one of the oldest French book agencies Agence Hoffman this book analyzes the role played by French literary agents in the importation of US fiction and literature into France in the years following World War II It sheds light on the material conditions of the circulation of texts across the Atlantic between 1944 and 1955 exploring the fine mechanisms of agents negotiations which allowed texts and ideas to cross borders While providing comparative insights into the history of publishing in France and in the United States in the immediate aftermath of the war this book aims at foregrounding the role of the book agent an all too often neglected intermediary in the field of book history Grounded in archival work conducted both in France and the United States this study is based on previously unexamined correspondence Considering the concept of mediation as central in the field of print culture this book addresses the dearth of scholarship on literary agents on both sides of the Atlantic and intersects with the current scholarship on transatlantic internationalism and transnational cultural and trade networks as evidenced by the recently emerged field of sociology of translation in Europe

**How to Read a Novel** John Sutherland,2013-12-10 Do we still know how to read a

novel John Sutherland Chairman of the 2005 Booker Prize Committee asks His disheartened answer is an unequivocal No But Sutherland has not given up hope With acerbic wit and intellect he traces the history of what it used to mean to be well read and tells readers what it still means today Using this delightful book as a means to an end he reminds readers how the delicate charms of fiction can be at once wonderful and inspired and infuriating On one level this is a book about novels how they work what they're about what makes them good or bad and how to talk about them At a deeper level this is a book in which one of the most intimate testaments is described one in which a reader meets a novel Will a great love affair begin Will the rendezvous end in disappointment Who can say In order for the relationship to take its appropriate course all the details must be clearly acknowledged and understood for their complexities plot point of view character style pace first and last sentences and even beauty Still Sutherland knows a true understanding of fiction is more than a flirtation with text and style it is a business Taking his readers on a trip to the bookshop he helps them judge a book by its cover based on design and color wondering aloud what genre might be best even going so far as to analyze one of the latest American bestsellers to further help the buying reader choose the novel that is right for him or her In a book that is as wry and humorous as it is learned and opinionated John Sutherland tells you everything you always wanted to know about how to read fiction better than you do now but were afraid to ask

Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
