Long Winter Rachel Ember, 2021-02-19 It's been a long cold winter at Riverside Ranch where Robbie has lived alone since his brothers moved away Alone that is except for his three devious cats four saddle horses and the forty eight mustangs that roam the ranch Robbie is preparing for yet another snowfall when he gets the last call he expected a plea to pick up Lance Taylor from the county jail Lance wasn't just his little brother's best friend he was a part of the family Then one night after Lance asked Robbie for something Robbie couldn't give he ran away and never came back Lance was sixteen and heartbroken when he left his middle of nowhere hometown Six years later he's at rock bottom with nowhere else to go and no one to turn to but Robbie the man Lance has been inconveniently in love with for most of his life When Robbie offers Lance a place to stay Lance expects a guest bedroom and awkward silences Instead he finds himself sharing Robbie's one room hayloft apartment and its single bed while realizing that the old flame he carries for Robbie might not be so hopeless after all *Long Winter* is the first book in the Wild Ones series and has a happy for now ending Robbie and Lance's story continues in *Signs of Spring* Praise for *Long Winter* What a beautifully written story this is There is an effortless elegance to Rachel Ember's prose that I found myself sinking blissfully into like a relaxing Sunday drive or horseback ride as it were Robbie and Lucas are perfectly imperfect their past complicated and their desire a slow burn destined to ignite They breathed from the page and the setting was so real I felt like I could go to the ranch right now and see all of them I will definitely be reading more from this author L C Chase author of *Pickup Men* *Long Winter* is a gorgeously detailed realistic contemporary drama full of angst and longing and set in the backdrop of a rural Nebraskan town in winter A self-styled city boy Lance returns to his home town after the fallout from an abusive relationship with no one else to turn to other than his childhood crush modern day cowboy rancher Robbie Hot enough to warm your cold winter's night and threaded through with tender and sometimes painful childhood memories Recommended for people who like realistic character driven stories with a heavy emotional current running throughout KP Maxwell author of *The Problem Client* An enchanting and heartwarming novel with strong themes of family love and a long overdue second chance for two flawed but utterly lovable men The setting was beautifully evocative from the winter scenes to life on the ranch to the wild horses that watch over it all I sank totally into the read and can't wait for the next book from this author Stella Shaw author of *Dante* *The Big Book of Classics for the Long Winter* Selma Lagerlöf, Charles Dickens, Mark Twain, Harriet Beecher Stowe, Martin Luther, William Shakespeare, Henry Wadsworth Longfellow, Max Brand, William Wordsworth, Carolyn Wells, Sophie May, Louisa May

After a Long Winter's Sleep Dr. Michael Bunch, 2025-03-26 Over the course of our walk with the Lord we inevitably experience many ups and downs Eventually there will come a time when we feel remote from the Lord and even at times as if we have been abandoned by Him This is far from the truth As we struggle walk run stumble and fall He is right there at our side Even when the darkness surrounds us so completely that we can see nothing except the impending doom within the darkness He is there In those times He carries us when we feel that we cannot endure anymore He wraps us in His loving arms showers us with His Shekinah glory and bathes us in His compassion This gives us renewed strength to continue to struggle on to the ultimate victory These dark moments are not pleasant but they are essential to our growth into what the Lord has planned for us to become I as the author of this book hope that at least one or more of these short stories will touch you during one of the inevitable dark moments and remind you that you are a precious child of the Lord and He has you firmly by the hand as He

guides you forward to the fulfillment of your walk in Christ *Long Winter Gone* Terry C. Crave for light Aimar Rollan, 2019-10-25 For the Sufis there is no greater punishment than to feel nostalgic for being separated from the source nor greater reward than to feel attached to it Thus the emotion that predominates in this work is nostalgia and its consequent yearning to break free from it and merge into Unity This is the story of a fall a loss a recovery and an ascension It is the story of a search for light from the deepest darkness It is written in poetic prose with brief fragments independent of each other which can be read in isolation but that have a certain cohesion since each fragment carries or craves a little more light than the previous one It is about a man who has lost his light but who harbors a faint flash of memory of her That transience tortures his mind and makes him embark on a path of ascension to recover that precious treasure It goes through all phases of depression sadness and melancholy rejoicing in its loss In the initial phases he identifies that lost light with the love of a woman with the love of many women who are one for him and the loss of that love is the germ of his melancholy As he progresses in his tribulation he recognizes that this yearned light belongs to something more subtle and deep to the realm of his soul He recognizes that emotional pain comes from feeling separated from the primordial source This work is written in a somber language but in its background aims to convey beauty hope and joy

Gardener's Monthly and Horticultural Advertiser, 1865 *Everyday Life Science Mysteries* Richard Konicek-Moran, 2013 How do tiny bugs get into oatmeal What makes children look like or different from their parents Where do rotten apples go after they fall off the tree By presenting everyday mysteries like these this book will motivate your students to carry out hands on science investigations and actually care about the results These 20 open ended mysteries focus exclusively on biological science including botany human physiology zoology and health The stories come with lists of science concepts to explore grade appropriate strategies for using them and explanations of how the lessons align with national standards They also relieve you of the tiring work of designing inquiry lessons from scratch What makes this book so
