,1998 **So You Want to Be a Talent Agent?** "Tom ""Wolf"" " Elliott,2010-05-18 A down to earth detailed guide to every aspect of establishing and running a small local talent booking agency, written by someone who has done so successfully for over 30 years. You don't need any particular background or a fancy college degree or even much money, just a desire to own and operate one of the most fun businesses you could ever imagine. It's all here: how to find the talent, how to build up a clientele, how to promote yourself, the contracts you'll need, and a fascinating insight to where you can go from here, including becoming a modeling agent, a TV producer, a writer, a record album producer, and much more. [The Adult Music Student](#) Pamela Pike,2021-12-30 In music, while coaching groups of adults in ensemble settings and teaching them in the independent studio is a longstanding tradition, most tertiary level music courses do not address the specific issues associated with teaching adults. *The Adult Music Student* addresses this gap, equipping music educators and professional musicians with the skills to provide optimal learning environments for adult music makers and exploring the process of learning and making music across the entire adult lifespan. In chapters rooted in research and real world experience, adult learning theory, assumptions, and philosophy are presented within the context of musical situations. The author also addresses adult motivation, teacher attributes that facilitate learning, and specific strategies to engage adults at different psychosocial or developmental stages. Providing practitioners with both an understanding of how adults learn and practical approaches that can be used immediately in various music settings, this book offers an essential guide for any instructor working with adult music students. *How to Teach Online (and Make \$100k a Year)* Rebecca Brown,2006-12-13 If you've ever thought about teaching online or already teach online but want to do it fulltime, this is the book for you. Becky clearly and honestly lays out the landscape of online teaching. From evaluating and applying to online universities to navigating students and administration to the all important tips for maximizing your income and diversifying your teaching portfolio. Your colleagues have already bought this book and are using these tips to expand their teaching loads. Don't miss your chance to be part of the emerging new market of online schooling. Second edition with updated content including the ever expanding list of online schools and where to apply. **Uprising** Yusuf Jah,Sister Shah'keyah,1997-02-25 Former members of Los Angeles gangs, the Crips and the Bloods, talk about the reconciliation that took place after the 1992 riots and the need to continue to work
