Soaring In Life A Way Of Living That Nourishes And Restores The Soul:

Soaring in Life Mary Whittle, Mary Whittle M. S., 2005-01 What if I were to tell you that there is a way of living where you could feel the pulse of peace no matter what was happening in your life What if I were to tell you that there is a way of living where you could sense the depth of beauty in the people around you no matter what they were doing What if I were to tell you that there is a way of living where you could know with a depth of certainty that is beyond imagining that meaning lies in every second of your life Would you be willing to listen Would you be patient enough to hear me out Would you be willing to put effort into a practice that could lead you to an ultimate peace so that you could laugh along with your Soul Would you Soar with me This is how Soaring in Life begins with a poem that invites you inward into a world of meaning of hope of freedom But the poem does not end there and neither does the journey Turn to page 17 to see how the poem ends and perhaps you too will start to Soar in life
