personal accounts of those who survived their loved ones perished in this factory of death The book covers the construction of the death camp the physical layout of the camp as remembered by both the Jewish inmates and the SS staff who served there and the personal recollections that detail the day to day experiences of the prisoners and the SS The courageous revolt by the prisoners on October 14 1943 is re told by the prisoners and the German SS with detailed accounts of the revolt and its aftermath The post war fate of the perpetrators or more precisely those that were brought to trial and information regarding the more recent history of the site itself concludes this book There is a large photographic section of rare and some unpublished photographs and documents from the author s private archive *Deep Green Resistance* Derrick Jensen,Aric McBay,Lierre Keith,2011-01-04
