Abstinence from alcohol and other drugs is only the beginning of sobriety It s the ticket to get into the theater not the movie we are going to see

Based on the experiences of thousands of recovering men and women Passages through Recovery presents an action plan for preventing relapse one that can help us understand how recovery works and what is needed to move from active addiction to sobriety

Gorski s pioneering work describes six stages of recovery from chemical dependency and offers sound advice for working through the challenges of each stage challenges that can create frustration and lead to relapse

Passages through Recovery clearly demonstrates that sobriety is more than just healing the damage It s a way of thinking acting and relating to others

Medicine Wheel of My Recovery Mickey M., 2012-12-14 This book is not only for Native American Indians its for all races but in the Native American way Nor is this book directed to any one particular recovering group The disease of addiction is not a prejudice disease neither is recovery Everything we do in recovery should be for self because everything we do effects our opinion of ourselves The results of sobriety should be used to help others in recovery The secret of success is consistency Thats why in recovery they keep saying Keep coming back To sacrifice is to gain in giving up the past for the future Wisdom is not what you put yourself through but what life puts you through Accepting recovery is accepting responsibility for ones actions This is why we must know where the ripples will go before we cast the stone into the pond To do so one must take a journey within the four directions in order to find the balance of their spiritual inner and outer self The results should be given away to help others in recovery so that we may keep what we have learned and earned so that we will be able to have a deeper yes and a much stronger no and realize that the message is in silence the deepest answer is in patience and a clear mind will precipitate patience Three River Ah ho
