Soccer Handbook For Players Coaches And Parents:

The Soccer Handbook for Players, Coaches and Parents Albert M. Luongo, 2012-10-16 Soccer long the world's most played sport is now undergoing a phenomenal popularity spurt among youth in North America. This book, the complete amateur soccer handbook for all ages, is indispensable for players, coaches, managers, league officials, referees, and parents. Rules of the game, conditioning methods, basic and advanced skills, positional play, team formations, defensive techniques, and much more are covered. The Laws of the Game, a publication of the Federation Internationale de Football Associations, is reprinted in full. The modern short ball soccer concept is explained. Ball control skills are stressed for both developing and advanced players along with self-discipline and a strong defense. With this handbook, championship teams and successful players can be built on these principles. In addition to technical skills, the important principles of leadership, self-control, sportsmanship, team play, fairness, and self-confidence are also promoted. *The Baffled Parent's Guide to Coaching 6-and-Under Soccer* David Williams, Scott Graham, 2005-08-05 Scott and David have done a fantastic job getting into the psyche of these very young players. What I really love is their emphasis on FUN and that kids learn by DOING. This book will make a great extra assistant as you prepare for your season. Bobby Clark, Head Soccer Coach, University of Notre Dame, author of the best-selling *Coaching Youth Soccer: The Baffled Parent's Guide*. Coach, you're the new coach of your child's soccer team and you're not sure how to teach your players the fundamentals of soccer while also ensuring they have fun. Don't panic. *Coaching 6 and Under Soccer* is here to help. *Coaching 6 and Under Soccer* offers straightforward advice, tips, and techniques, including reward-based games and drills, your first six practices in an easy-to-photocopy format, and how to teach soccer basics to 4, 5, and 6-year-olds in ways that are fun for you and your players. This complete tool kit for a new coach includes the twelve easy-to-run drills that work best with young soccer players. How to keep your young players happy and active while they learn. How to make parents your best assistants and supporters. How to keep the focus where it belongs, not on winning or losing, but on having fun. How to have a terrific time coaching young players. *Coaching 6 and Under Soccer* shows you how to teach your young players the right way through lively games that encourage kids to use their creativity and self-expression when playing. Brandi Chastain, Olympic and World Cup Soccer Champion, author of *It's Not About the Bra: Play Hard, Play Fair, and Put the Fun Back into Competitive Sports*. I have no doubt that young players will come to love the game of soccer if their coaches follow the simple, straightforward advice in this book. Anson Dorrance, Head Women's Soccer Coach, University of North Carolina, author of *The Vision of a Champion: Advice and Inspiration from the World's Most Successful Women's Soccer Coach*. I highly recommend this terrific book to coaches who want to instill good sportsmanship and the love of the game in their young players while building a solid foundation in basic soccer skills and teamwork. Jeremy Gunn, Head Men's Soccer Coach, Fort Lewis College. *Soccer for Juniors* Robert Pollock, 2005-05-01 The best introduction to playing and coaching the game now in print. *Soccer for Juniors* delivers nonstop advice and instruction in an easy-to-read style.
