Book 4: Soccer Coaching Knowledge Bert Holcroft, 2014-01-21 The Holcroft saga is a rugby story the like of which may never have been equalled in the history of the game. It begins over a century ago when Mr George Holcroft was given charge of Leigh St Peter's R.L.F.C. in 1889. He married and when his family grew up Jack, Harry, William and Tom all played for local teams. They married and George's grandsons Bert and Bill also played. Bert Holcroft has been a distinguished servant for the game of Rugby all his life. He holds coaching certificates from BOTH the Australian and British governing bodies, one of only a handful of men to achieve such an honour in the game's history. For 20 odd years Bert Holcroft has had one of the unlikeliest jobs in sport: teaching Australian Rugby Coaches how to coach. Considering the Australian dominance of World Rugby in recent years, that might seem a paradox with taking coal to Newcastle. But make no mistake, Bert Holcroft has done as much as anyone to ensure Australia's re-emergence as a major Rugby power. On the face of it, Australia wouldn't seem to need any outside help, let alone from a Pom. Their record of only one Test defeat since 1978 speaks for itself. But Bert's reputation is nation-wide, and quite simply, he's one of the best in the business. Bert, who played for Leigh between 1950-60, has spent much of his latter years down under lecturing to top-grade coaches in New South Wales. Born and bred in Cameron Street, Leigh, Bert has few peers when it comes to teaching the basics of the 13-a-side game. Since emigrating in the late 60s, Bert has dedicated his life to coaching and fitness techniques. Teams in Queensland, New South Wales and Sydney have all come under his influence, often with spectacular results. Bert's credentials are impeccable. Last summer he achieved the highest accolade in Australia, his Grade Three certificate personally signed by the then Australian league chairman Kevin Humphreys and the Director of Coaching Peter Corcoran. Three years earlier, Bert had sailed through his Grade One and Two with flying colours. In 1953 he was awarded his senior coaching certificate in England. Bert, who held a number of posts at Hilton Park before emigrating to Australia, has spent a lot of his time heavily involved with Rugby in the universities there. He became director of coaching for the University of New South Wales and later coach

of the Combined Universities side Coaching Accreditation awarded by the Australian Institute of Sport Department of Sport and Recreation NSW and the NSW Rugby League for administration as well as being awarded National Coaching Certificates in both Britain and Australia one of only a handful of people to do so Eventually the offer of a job in Sydney came to coach Premiership glamorous club Eastern Suburbs

Practice Soccer At Home Chest Dugger, 2022-11-02 Are you stuck at home or unable to get access to a soccer field Are you worried about a lack of practice and reduced fitness This book is your answer Whether it's a pandemic caused by an extremely infectious pathogen or a harsh winter that causes 10 feet of snow to pile up on the soccer field there are times when soccer takes a back foot As we have discovered soccer isn't more important than life or death despite the claims to the contrary So many coaching books require complex equipment copious resources and fantastic facilities In writing Practice Soccer at Home we are seeking to offer a guide for those times when we train alone in our back yard with little more than a ball and our immediate environment Undertaking this additional work is important whether we are professionals seeking to perfect our technique at the highest level why else would top professionals build home gyms into their luxurious houses or more relevantly for this book keen amateurs or youth players looking to develop our own game With jobs to hold down school to attend and such like it is unlikely that in the best of times we will get more than two formal training sessions per week plus a match at the weekend Realistically it is likely to be just one session In order to maximise our potential we must do some work on our skills and endurance alone The most practical place for many of us is to undertake this training at home Why get in the car to drive to the gym or park if we have a back yard we could use instead The answer is of course what to do in the back yard and what to do it with This book provides some answers to those questions
