The Routledge Handbook of Tourism in Asia C.

Michael Hall,Stephen J. Page,2016-09-13 Asia is regarded as the fastest growing area for international and domestic tourism in the world today and over the next 20 years Given the economic social and environmental importance of tourism in the region there is a need for a comprehensive and readable overview of the critical debates and controversies in tourism in the region and the major factors that are affecting tourism development both now and in the foreseeable future This Handbook provides a contemporary survey of the region and its continued growth and development as a key destination and generator of tourism which is marked by a high proportion of intra regional travel The book is divided into five sections This first section provides an introduction to the region and context to the nationally focused chapters The next three sections are then broadly based on the three UNWTO Asian regions South East Asia South and Central Asia and East and North East Asia providing readers with a valuable snapshot of tourism at various scales and from various approaches and positions The concluding section considers future prospects for tourism in Asia The handbook is interdisciplinary in coverage and is also international in scope through its authorship and content It presents a range of perspectives and understanding of the processes and forces that are shaping tourism in this fascinating and dynamic region that is one of the focal points of global tourism This is essential reading for students researchers and academics interested in tourism in the growth region of Asia now and in the future

Tourism Case Studies Asia-Pacific Region Taufik Abdullah,Reni Polus,2024-11-18 Tourism Case Studies from the Asia Pacific Region offers a comprehensive exploration of the diverse world of tourism within one of the most dynamic regions on the globe Authored by leading academic and industry experts this volume fills a crucial gap in tourism literature by providing practical and engaging case studies that highlight real world industry best practices challenges and opportunities Designed for both academic and professional audiences this volume serves as an essential resource for instructors looking to enhance their teaching practices students aspiring to succeed in the tourism industry and practitioners seeking to understand the complexities and opportunities within the Asia Pacific tourism landscape

Backpacker Tourism and Economic Development Mark P. Hampton,2013-07-18 There has been a phenomenal growth of backpacker tourism from the overland routes to India in the 1960s to present day backpacker tourism across the less developed world As a result there has been significant economic development impacts of backpacker tourism upon local communities especially in areas with the largest concentrations of backpackers South and South East Asia particularly Thailand Indonesia Malaysia and India as well as increasingly in Latin America This volume provides a focused review of the economic development impacts of backpacker tourism in developing regions furthering knowledge on how backpacker tourism can play a crucial role in development strategies in these areas First it reviews the origins of the backpackers with a

detailed examination of their hippy predecessors on the overland trail before discussing the emergence of modern backpackers including social and cultural aspects and how new technologies are changing their experience It then analyses the powerful economic development impacts of backpackers on local host communities in cities and rural areas with a special focus on coastal destinations Extensive case study material is used from backpacker destinations across Asia Latin America and Africa In doing so the book provides original insights into how backpacker tourism is highly significant for poverty alleviation and effective local development since it has strong linkages to the local economy and less economic leakage than conventional tourism Written by a leading academic in this area this volume will be of interest to students of Tourism and Development Studies
