

The image features a large, dense crowd of stylized human figures, rendered in various shades of blue. The figures are simplified, with no facial features, and are all holding hands, forming a continuous circle. The figures in the foreground are a darker blue, while those in the background are lighter, creating a sense of depth. The overall composition is centered and fills most of the frame. At the bottom center, the words "Social Bond" are written in a bold, yellow, sans-serif font with a black outline.

Social Bond:

Emotions, the Social Bond, and Human Reality Thomas J. Scheff, 1997-09-04 This book first published in 1997 offers an approach to researching human behavior relating details of interaction to social structure

Social Bonds Cristina Rovera, 2024-09-02 Can finance help mankind We are accustomed to reading sad news about money Apparently money is often associated exclusively with illicit trafficking and it seems that only the wicked benefit from it while good people are crushed by a system that exploits them Is this true Is this the reality of our world Perhaps money is merely a tool What truly matters is the intention behind its use Consider the positive impact that can be achieved through charitable acts This book introduces and discusses the concept of social bonds as instruments created to enhance collective welfare Nevertheless the characteristics of social bonds allow for individual well being as well Social bonds can yield a return and ensure repayment of the principal upon maturity They can be perceived as an alternative to donations for those who support them or as a means of diversification for those interested in personal gain The ultimate purpose of the investment holds little significance What truly matters is the allocation of resources towards ethical endeavors Currently social bonds constitute a niche market yet they harbor significant potential for development This book proposes a global examination of the subject matter The analysis delves into the social reality implemented worldwide focusing on economic aspects such as risk and return fundraising successes and failures Additionally the author explores the advantages and disadvantages of these instruments to provide a comprehensive study of the sector

Primer on Social Bonds and Recent Developments in Asia Asian Development Bank, 2021-02-01 Social bond markets have grown rapidly in Asia and around the world amid the coronavirus disease COVID 19 pandemic Today the global social bond market is dominated by bonds that address pandemic related social impact areas To better understand the potential contribution of social bonds in tackling developing Asia s most urgent social issues this study reviews the current status and recent trends of global and Asian social bond markets It further analyzes social impact areas that can be addressed by social bonds in both the short and long term The study s findings can help align finance with the Sustainable Development Goals and maximize the impact of the social bond market for sustainable development

Social Bonds and Historical Time Torbjörn Gustafsson Chorell, 2025-08-07 This book analyses the social dimension of historical time and explores how we emotionally and intellectually bind ourselves to the past and project these ties onto our present and future Gustafsson Chorell argues that historical time is inherently social and that the nexus of past present and future is constructed through social mechanisms Beginning with the concept of the historical imaginary this book examines the theoretical shift from future oriented to present oriented models of time and integrates insights from intellectual history philosophy and social theory This book demonstrates how a variety of social bonds such as emotion generation and authority can affect how historical time is demarcated Analysing key concepts such as desire for the past the impact of grief and nostalgia and the role of history in shaping expectations for the future the volume highlights the enduring significance of

sociality even under new regimes of historicity such as the Anthropocene Ultimately Gustafsson Chorell offers a comprehensive view of how past present and future are interconnected and highlights the continued importance of thinking carefully about the relationship between time and history

Attachment and Bonding C. Sue Carter, Lieselotte Ahnert, K. E. Grossmann, Sarah B. Hrdy, Michael E. Lamb, 2015-10-06 Scientists from different disciplines including anthropology psychology psychiatry pediatrics neurobiology endocrinology and molecular biology explore the concepts of attachment and bonding from varying scientific perspectives Attachment and bonding are evolved processes the mechanisms

that permit the development of selective social bonds are assumed to be very ancient based on neural circuitry rooted deep in mammalian evolution but the nature and timing of these processes and their ultimate and proximate causes are only beginning to be understood In this Dahlem Workshop Report scientists from different disciplines including anthropology psychology psychiatry and behavioral biology come together to explore the concepts of attachment and bonding from diverse perspectives In their studies they seek to understand the causes or the consequences of attachment and bonding in general and their different qualities in individual development in particular They address such questions as biobehavioral processes in attachment and bonding early social attachment and its influences on later patterns of behavior bonding later in life and adaptive and maladaptive or pathological outcomes The studies confirm that social bonds have consequences for virtually all aspects of behavior and may be protective in the face of both physical and emotional challenges
