HIV/AIDS in Russia and Eurasia J. Twigg, 2007-01-08 Russia and a few other Eurasian countries have been home to the fastest growing epidemics of HIV in the world over the last several years This volume offers country specific accounts authored by the leading players in the analysis of the situation and the fight against the virus **The Kremlin Strikes Back** Steven Rosefielde, 2016-12-15 America and Europe responded to Russia s annexation of Crimea on March 18 2014 by discarding their policy of East West partnership and reverting intermittently to a policy of cold war The West believes that this on again off again second Cold War will end with Russia s capitulation because it is not a sufficiently great power while the Kremlin s view is just the opposite Vladimir Putin believes that if Moscow has strategic patience Russia can recover some of the geostrategic losses that it incurred when the Soviet Union collapsed The Kremlin Strikes Back scrutinizes the economic prospects of both sides including factors like military industrial prowess warfighting capabilities and national resolve addressing particularly hot button issues such as increasing military spending decreasing domestic spending and other policies Stephen Rosefielde aims to objectively gauge future prospects and the wisdom of employing various strategies to address Russian developments Cosmologies of Suffering Agita Lüse, 2009-01-14 The edited volume elaborates on a range of themes that emerged during a workshop of the 8th biennial of the European Association of Social Anthropologists in

Vienna in 2004 Among these themes are the paradoxical permanence of transition in post communist countries the accompanying persistence of social suffering and the structural conditions that give rise to it A final theme focuses on the resources that people mobilize to cope with suffering and trauma Ways of coping manifest a stance towards agency shared by sufferers from diverse post communist regions such as ethnically divided Croatia politically and economically unstable Zimbabwe relatively more peaceful countries such as Hungary Poland and Slovenia and finally two religiously unique areas in Siberia Russia Ethnographic accounts from these diverse settings testify that agency has often involved relinquishing reliance on one's self and turning towards a power higher than the self whether this is conceptualized through the lens of transcendence religion or cosmology Russian Women and the End of Soviet Socialism Judith McKinney, 2019-08-17 Initially expected to bring efficiency to the Russian economy and prosperity to Russian society the shock therapy of price liberalization privatization and macroeconomic stabilization introduced under Boris Yeltsin was quickly condemned as having worsened the lives of most Russians Based on conversations with more than two dozen women in a provincial Russian capital this book takes a retrospective look at these economic policies and explores how they transformed the trajectory of the lives of these women both positively and negatively in the family and in the workplace McKinney considers the everyday experiences of the women as they provided for their families established businesses travelled abroad and adjusted to the new economic political and social environment of the Late Soviet and Post Soviet era Through their divergent experiences Russian Women and the End of Soviet Socialism casts light on how these women view issues of gender ethnicity domestic and international politics and the end of the Soviet experiment Students and scholars across a range of disciplines including gender studies sociology economics and history will find this book of interest **The Chinese Worker After Socialism** William Hurst, 2009-03-05 This fascinating study considers the fate of 35 million workers laid off from the state owned sector in China **Change in Putin's Russia** Simon Pirani, 2009-11-06 This is an investigation into the interaction of power money and people in Russia during the presidencies of Vladimir Putin and Dmitry Medvedev Profiling Putin's team including his security services and pro market economic reformers Simon Pirani argues that the growth during the oil boom was one sided The gap between rich and poor widened Now the boom is over this problem has only grown As well as explaining Russia's economic trajectory the book provides a unique account of the social movements that are working against an increasingly authoritarian government to change Russia for the better The Politics of Environmental Policy in Russia David Lewis Feldman, Ivan Blokov, 2012-01-01 A fresh and up to date discussion of Russia's manifold environmental crises using the results of an elite survey and a framework based on the civil society literature I believe this is the best treatment of its subject that is presently available and given Russia's enormous territorial extent it is a study that has important implications for everyone who has any concern for the future of Planet Earth Stephen White University of Glasgow UK In recent years international inter governmental entities have acknowledged the importance of civil society for engaging stakeholders in

environmental change especially at the local community level and in promoting democracy In Russia efforts by NGOs to promote reform since the fall of the Soviet Union have been aimed at achieving both objectives This fascinating and highly illuminating book explores the political legal and attitudinal barriers to environmental reform in Russia since 1991 The authors renowned experts in the field explore efforts to develop a mature civil society in Russia and analyse the policy views of environmental groups the media and the scientific community Three important case studies underpin the study suspended plans to build an oil pipeline near Lake Baikal management of Cold War generated radioactive waste at Chelyabinsk and public reaction to the introduction of genetically modified foods The conclusion is that although civil society groups face obstacles in the form of apathy state imposed constraints on their activities and agency reluctance to confer on decisions there are some successes in reversing decisions due in part to NGO pressures yielding reform This path breaking book will be of enormous interest to scholars researchers and students focusing on comparative environmental policy and politics contemporary public policy in Russia and international politics
