Ristock,1991-01-01 Preface Introduction Feminist Activism in Canada Jeri Dawn Wine and Janice L Ristock Section I Frameworks and Strategies for Social Change Introduction 1 Feminist Practice A New Approach The Educational Monthly of Canada ,1900 *The Developing Canadian Community* S.D. Clark,1962-12-15 Professor Clark s thesis is that the development of Canadian society can only be understood by examining how changes taking place in the underlying structure of the Canadian community The first part of the book examines the development of forms of social organization in Canada over the years 1600 to 1920 In the second and third sections the focus shifts to the general forces in Canadian society shaping the character of institutions and forms of social life The book concludes with four essays devoted to an examination

of the relationship of sociology to history This volume demonstrates the mutually enriching value of a sociological historical approach and is very useful for those interested in communities social change and organization and the structure of Canadian society Cultural Diversity and Canadian Education John Mallea,1984-04-15 This thorough study will be of assistance to those seeking to understand the role of education in contemporary Canada Education policy and practice regarding language and culture are highlighted as is the crucially important question of cultural transmission Issues in African Education A. Abdi,A. Cleghorn,2005-11-04 This book addresses major sociological issues in sub Saharan African education today Its fourteen contributors present a thoroughly African world view within a sociology of education theoretical framework allowing the reader to see where that theory is relevant to the African context and where it is not Several of the chapters bring a much needed cultural nuance and critical theoretical perspective to the issues at hand The sixteen chapters thus aim to be of interest internationally to those who work in such fields as social and political foundations of comparative and international education and development studies including university professors teacher educators researchers school teachers tertiary education students consultants and policy makers Citizenship, Democracy and Higher Education in Europe, Canada and the USA J. Laker,C. Naval,K. Mrnjaus,2014-06-23 Citizenship democracy and human rights have always been central to higher education and increasing globalization has amplified their urgency and complexity This volume explores conceptual theoretical and policy implications for post secondary education engaging with these topics comparing the USA Canada Eastern Europe and Western Europe **University Continuing Education in Canada** Michael Brooke,Mark Waldron,1994 This anthology identifies and discusses the present challenges and future opportunities in Canadian university extension It consists of articles written by experts in the field grouped under five major headings Overview Change Leadership Programs and Delivery Authors have been chosen because of their known interest and expertise in an area considered important to the overall composition of this publication The anthology would be of value to any professional or layperson with an interest in the role and activities of university extension **Historical Essays on Upper Canada** James Keith Johnson,Bruce G. Wilson,1989 Ontario was known as Upper Canada from 1791 to 1841 *Resources in Education* ,2000-10 *Research in Education* ,1974 **Equity and Inclusion in Education Finding Strength through Diversity** OECD,2023-01-31 Governments and education policy makers are increasingly concerned with equity and inclusion in education due to several major global trends such as demographic shifts migration and refugee crises rising inequalities and climate change These developments have contributed to increasing diversity within national populations and flagged some concerns around the ability of education systems to be equitable and inclusive of all students *Using the National Gifted Education Standards for Teacher Preparation* National Assoc For Gifted Children,NAGC,Joyce VanTassel-Baska,Ann Robinson,2021-09-23 Standards have benefits particular to the field of gifted education In order to ensure equity and systematic talent search and programming it is essential that current and future teachers are educated in the relevant theory

research pedagogy and management techniques important for developing and sustaining classroom based opportunities specifically designed for gifted learners By incorporating the 2013 NAGC CEC Teacher Preparation Standards in Gifted and Talented Education this guidebook helps university faculty at the undergraduate and graduate levels design or revise gifted education programs and partner with other educators in developing gifted education teachers *Social Change and Education in Canada* Ratna Ghosh,Douglas Ray,1987 **Universality and Social Policy in Canada** Daniel Béland,Gregory P. Marchildon,Michael J. Prince,2019-05-31 Bringing together top scholars in the field Universality and Social Policy in Canada provides an overview of the universality principle in social welfare The contributors survey the many contested meanings of universality in relation to specific social programs the field of social policy and the modern welfare state The book argues that while universality is a core value undergirding certain areas of state intervention most notably health care and education the contributory principle of social insurance and the selectivity principle of income assistance are also highly significant precepts in practice
