## **Song Wise America:**

America's Songs Philip Furia, Michael Lasser, 2006-05-12 America's Songs tells the stories behind the most beloved popular songs of the last century. We all have songs that have a special meaning in our lives; hearing them evokes a special time or place. Little wonder that these special songs have become enduring classics. Nothing brings the roaring 20s to life like Tea for Two or I'm Just Wild About Harry. The Great Depression is evoked in all of its pain and misery in songs like Brother Can You Spare a Dime. God Bless America revives the powerful hope that American democracy promised to the world during the dark days of World War II. Young at Heart evokes the postwar optimism of the 50s. And then there are the countless songs of love, new romance and heartbreak. As Time Goes By, Always, Am I Blue, the list is endless. Along with telling the stories behind these songs, America's Songs suggests simply and succinctly what makes a song great. The book illuminates the way each great song melds words and music, sentiment and melody into a seamless whole. America's Songs also traces the fascinating but mysterious process of collaboration, the give and take between two craftsmen, a composer and a lyricist, as they combined their talents to create a song. For anyone interested in the history of the songs that America loves, America's Songs will make for fascinating reading.

**Listening to Classic American Popular Songs** Allen Forte, Richard Lalli, Gary Chapman, 2008-10-01 In the twenties, thirties and forties, now legendary American songwriters and lyricists created a repertoire of popular songs, songs that have captured the hearts of generations of music lovers. George Gershwin, Richard Rodgers, Cole Porter, Jerome Kern, Harold Arlen, Hoagy Carmichael and many others, along with such lyricists as Ira Gershwin, Lorenz Hart and Dorothy Fields, produced extraordinary songs of signal importance to the American musical heritage. In this book, Allen Forte shares his love of American popular song. He discusses in detail twenty-three songs, ranging from Gershwin's Fascinating Rhythm (1924) to Irving Berlin's Steppin' Out with My Baby (1947), guiding readers and listeners toward a deeper appreciation of this vital and engaging music. Forte writes for the general reader, assuming no background other than a familiarity with basic music notation. Each song is discussed individually and includes complete lyrics and simple leadsheet notation. Forte discusses the songs' distinctive musical features and their sophisticated, often touching and witty lyrics. Readers can follow the music while they listen to the accompanying compact disc, which was specially recorded for this volume by baritone Richard Lalli and pianist/arranger Gary Chapman, with Allen Forte as pianist/arranger for Embraceable You and Come Rain or Come Shine. Learn about these favorite songs and more: How Long Has This Been Going On? What Is This Thing Called Love? Embraceable You. Autumn in New York. I've Got You Under My Skin. The Nearness of You.
