A small, low-lying island with green vegetation is visible in the distance. The sky is a clear, pale blue, dotted with several large, fluffy white clouds. The overall atmosphere is serene and idyllic.

The title suggests several things to the reader The two words SPIRITUAL AND CONDITIONING are words that most people don t get too excited about regardless of age or religious persuasion Although I believe that most would acknowledge both are important What could be more important than a combination of sound physical and spiritual conditioning Everybody realizes that both require personal initiative Easier said than done That s obvious concerning the overall physical condition of the majority of Americans Undeniably our deplorable physically unfit condition and subsequent problems is well documented Likewise it appears the majority of nominal Christians are spiritually unfit choosing to remain babes in Christ often times for years suffering adverse consequences Why The lack of disciplined spiritual conditioning growth and maturity and the initiative to resolve Granted not easy as it requires work effort and discipline Now enters Excuses quenching any initial desires to get fit Knowingly choosing unfit over fit is a debilitating choice over the desire to become healthier happier and stronger physically and spiritually This book is not intended to be an indictment of the Christian populace only a bona fide remedy to rectify this predicament It follows God s directives Unabashed honesty with self will necessitate appropriate action Suffice it to say God highly advocates spiritual conditioning over the physical 1 Timothy 4 7 9 Physical workouts have some benefit but a disciplined spiritual conditioning program makes you fit for all things all the time especially for the present difficult days and the coming turbulent times Thank God for his revealing Word and powerful comforting Holy Spirit who strengthens you and I to stand
