Nitzan,2018-11-26 Qumran Prayer and Religious Poetry represents the first attempt to undertake a systematic comprehensive study of the liturgical and poetic texts which were discovered among the Dead Sea Scrolls from Qumran The collections of prayers blessings and hymns indicate that fixed prayers were already customary within Judaism during the period of the Second Temple within sectarian circles In the light of the prayer texts from Qumran the author conducts a systematic study of Jewish prayer beginning with its biblical traditions through its development during the Second Temple period and down to rabbinic prayer By means of comparative literary analysis the author is able to elucidate the relationship of the Qumran texts to forms and motifs found in parallel text types from various periods and circles within Judaism This volume provides the reader with tools for a renewed study of the history of prayer in Judaism in the light of new textual evidence from the Second Temple period *Catalog of Copyright Entries* ,1945 [Home Worship: Selections from the Scriptures with Meditations, Prayer and Song for Every Day in the Year](#) Joseph Parrish Thompson,1871 **Reading and**

Hebrew History H. I. Hester,1980-01-01 Presents the leading facts in the history of the Hebrew people as given in the Old Testament *As Though We Were Dreaming* Keith Ruckhaus,2013-10-22 The Eastern Christian liturgical tradition of Lent

has long included the chanting of the Songs of Ascents Pss 120 134 as entrance songs of not only the special penance service known as the Liturgy of the Presanctified Gifts but also of the season of repentance Ruckhaus commentary in *As Though We Were Dreaming* provides theological insight and exegetical breadth to this group of Psalms Even more so Ruckhaus drives the reader to engage the Songs of Ascents and participate in the descent and ascent of meaningful and life changing repentance The commentary here does more than just compare the struggle of the ancient Jews reflected in the Songs of

Ascents with that of the early Christian community and our own experience Ruckhaus insists on a guttural connection between the anxiety and hope of reconstituting the people of God after the disaster of the exile and that of the passion of Jesus The gospel story is already genetically encoded in the story of Israel The liturgical incorporation of the Songs of Ascents in the Liturgy of the Presanctified Gifts grounds the Church's participation in the Great Story We don't borrow the ancient psalms of the Jews struggle to reconstitute a kingdom of God we share in that struggle **Judith** Deborah Levine Gera,2013-11-27 The Book of Judith has aroused a great deal of scholarly interest in the last few decades This volume the first full length commentary on Judith to appear in over 25 years includes a new translation and a detailed verse by verse commentary which touches upon philological literary and historical questions The extensive introduction discusses the work's date and historical background and looks closely at the controversial question of the book's original language Biblical influences on the book's setting characters plot and language are investigated and the heroine Judith is viewed against the background of biblical women and men The influence of classical Greek writers such as Herodotus and Ctesias on the work is noted as are the interesting differences between the Septuagint and Vulgate versions of Judith **365 Pocket Prayers for Women** Amy E. Mason,2011 Sometimes it can be difficult to know what to pray for or even how to talk with God Following in the footsteps of the popular 365 Pocket Prayers that has touched so many lives here is an edition just for women 365 Pocket Prayers for Women lets you grow closer to God through this honest and heartfelt collection of daily prayers There's a topical index in the back of the book so whether you need to pray about conflict self esteem issues health and healing your family or a recent disappointment you've experienced 365 Pocket Prayers for Women helps you open your heart to the one who listens Each reading in this convenient easy to carry quick access guide begins with a daily prayer and ends with a promise from Scripture **School Music**,1918 Parables Poetry and Prayers Adena H. personal ways with prayers of all forms As you learn about each woman in Scripture you will see how they brought their needs to God in prayer how intimately you are connected to their stories and how to bring your own needs to God alongside them Be encouraged by the examples we are given in Scripture of women who went before us and share in our common needs for prayer and communion with a holy and gracious God This Bible study includes A woman s biblical story and related Scripture Reflections on connecting to each woman s circumstances Learning to take your needs to God in prayer Prayer exercises and echoes

The Psalms as Christian Praise Bruce K. Waltke, James M. Houston, 2019-11-19 Two respected scholars explore the heart of the Psalms Following in the style of their companion volumes *The Psalms as Christian Worship* and *The Psalms as Christian Lament* Bruce Waltke and James Houston now explore the depths of Christian praise Each volume uniquely blends verse by verse commentary with a history of Psalms interpretation in the church from the time of the apostles to the present Since praise is the essence of the book of Psalms Waltke and Houston have narrowed the focus to Book IV of the Psalter Psalms 90-106 which magnify God and proclaim him king To give voice to the psalmist the authors carefully translate and explain each psalm and summarize its theological message This is followed by listening to the voice of godly churchmen whose comments have stood the test of time *The Psalms as Christian Praise* is ideal for anyone seeking to better understand the praise of Israel as found in the Psalms and how Christians also use these Psalms in worship

The Feminine Genius of Catholic Theology Matthew Levering, 2012-07-26 This book introduces Catholic doctrine through the crucible of the women mystics reception of the gospel The work of the great women theologians of the Church s second millennium has too often been neglected or relegated to the category of mysticism in textbooks on Catholic doctrine This is a shame because their work shows the interior conjunction of liturgical experience broadly understood scriptural exegesis philosophical reflection and doctrinal creedal formulation Drawing on their work this book presents the tenets of Catholic faith in a clear and accessible manner useful for introductory courses as well as for students and scholars interested in the contributions of women to Catholic theology Women theologians in this book include Catherine of Siena Theresa of Avila Therese of Lisieux Simone Weil and others
