American father Kneubuhl s multicultural heritage produced a distinctive artistic vision that formed the basis of his most powerful dramatic work Born and raised in Samoa Kneubuhl attended school in Honolulu and studied under Thornton Wilder at Yale Returning to Hawai i in the mid 1940s Kneubuhl won acclaim as a playwright with the Honolulu Community Theater then moved on to Los Angeles to write for television Twenty years later he was back in Samoa lecturing on Polynesian history and culture and writing plays including the trilogy offered here Unlike much of Kneubuhl s earlier work these plays are touchingly personal in their exploration of alienation and cultural identity Think of a Garden the first play of the trilogy and the last written before the playwright's death in 1992 has been called the most Samoan of Kneubuhl's plays a candid look at the writer's bicultural upbringing that artfully weaves together family memory history and mysticism Think of a Garden makes the work of one of the Pacific's preeminent playwrights available for the first time to a wide audience of theatre enthusiasts literature specialists and others interested in Pacific themes Night is a Sharkskin Drum Haunani-Kay Trask, 2002-07-31 Night Is a Sharkskin Drum is a lyrical evocation of Hawaii by a Native poet whose ancestral land has been scarred by tourism the American military and urbanization Grounded in the ancient grandeur and beauty of Hawaii this collection is a haunted and haunting love song for a beloved homeland under assault South Pacific Literature Subramani, 1992 Samoa H. Hughes, 1997 This bibliography of works on Samoa seeks to dispel the myth of sunbaked carefree islands by directing the reader to resources which discuss its difficult past and current challenges Provides informative annotations on a wide range of books and articles dealing with all aspects of American Samoa and Western Samoa including geography climate flora and fauna history society language politics culture and the arts Maps and a chronology are included Annotation copyrighted by Book News Inc Portland OR **Leaves of the Banvan Tree** Albert Wendt, 1994-03-01 An epic spanning three generations Leaves of the Banyan Tree tells the story of a family and community in Western Samoa exploring on a grand scale such universal themes as greed corruption colonialism exploitation and revenge Winner of the 1980 New Zealand Wattie Book of the Year Award it is considered a classic work of Pacific literature

out the meaning of the biblical text Havea takes Jonah 3 10 as a starting point in which God repents and rethinks decides not to destroy taking this as a challenge and an opportunity for biblical scholars to reflect on the realities of climate change Have builds on this opportunity in two ways first by reading Jonah forward giving special attention to the orientation of the narrative toward the sea and Nineveh and then backward highlighting the significance of sea and is land lives to the flow of the narrative Second by looking at the other figures in the narrative rather than focusing on the narrator's obsession with Jonah and his God Havea reminds readers that the fish plant worm and other beasts are also crucial in this narrative and **Pacific Well-Being** Jione Havea, 2024-03-29 This book makes considers how this can change our reading of the text space 1 for Pasifika contributions to academic conversations on critical topics and 2 for influencing the conversations to account for and thus reflect Pasifika ways and modes The critical topic that runs through the chapters is well being and the contributors were located at the time of writing in Pasifika Aotearoa Fiji Kioa Kiribati Samoa Tonga and Tuvalu but there are many more Pasifika voices and concerns than are represented in this work Nonetheless the ways in which this work seeks to influence the conversations on well being reflect the intersectional modes of thinking that native Pasifika Islanders share The essays are placed into three intersecting clusters well being of bodies and is lands well being of traditions and theologies and well being of imaginations and worldviews The rationale for this arrangement is that the well being of Pasifika requires attention to the present bodies and islands to the past traditions and theologies and to the future imaginations and worldviews The chapters address Pasifika questions and concerns and they are placed so that the conversations they spark can take place free of the traps of Western theories and disciplines with Pasifika accents and rhythms Colonial Contexts and Postcolonial Theologies M. Brett, J. Havea, 2014-12-17 Colonial Contexts and Postcolonial Theology focuses on what postcolonial theologies look like in colonial contexts particularly in dialogue with the First Nations Peoples in Australia and the Asia Pacific The contributors have roots in the Asia Pacific but the struggles theologies and concerns they address are shared across the seas American Book Publishing Record, 1996
