Queer Jewish Strangers in American Popular Culture Amy Tziporah Karp, 2023-12-19 Queer Jewish Strangers in American Popular Culture Life Between Assimilation and Otherness explores LGBTQIA Jewish American identity in the United States and the gueer Jewish stranger figures who live in between incorporation and estrangement Amy Tziporah Karp establishes that despite the near ubiquitous portrayal of Jewish American assimilation as a finished project completed in the wake of World War II in academic disciplines and throughout popular culture many LGBTQIA Jewish figures in contemporary popular culture inhabit stranger positionalities In these stranger spaces characters are forced to either perpetually attempt to assimilate or inhabit this interstitial stranger identity that is often viewed as a nowhere or homeless space Those who pursue assimilating endlessly try to fit in to no avail such as Jenny Schecter from Showtime s popular The L Word who is ultimately killed off on the show possibly murdered by her LGBTQIA community of friends Karp shows that those who attempt to make a home in a stranger positionality align themselves with other estranged and othered peoples such as characters throughout Sarah Schulman's novels and that this constitutes an ethical stance against the ways in which assimilation often inadvertently supports the workings of violent hegemonies in the United States **Life of Barbara Grier** Joanne Passet, 2016-11-01 Whatever else will be said about her and you can bet there will be plenty because Barbara was no stranger to controversy the one thing that is true above all else is that she was the most important person in lesbian publishing in the world Without her boldness and her audacity there might not be the robust lesbian publishing industry there is today Teresa DeCrescenzo Barbara Grier feminist activist publisher and archivist was many things to different people Perhaps most well known as one of the founders of Naiad Press Barbara's unapologetic drive to make sure that lesbians everywhere had access to books with stories that reflected their lives in positive ways was legendary Barbara changed the lives of thousands of women in her lifetime For the first time historian Joanne Passet uncovers the controversial and often polarizing life of this firebrand editor and publisher with new and never before published letters interviews and other personal material from Grier's own papers Passet takes readers behind the scenes of The Ladder offering a rare window onto the isolated and bereft lives lesbians experienced before the feminist movement and during the earliest days of gay political organizing Through extensive letters between Grier and her friend novelist Jane Rule Passet offers a virtual diary of this dramatic and repressive era Passet also looks at Grier's infamous theft of The Ladder's mailing list which in turn allowed her to launch and promote Naiad Press the groundbreaking women's publishing company she founded with partner Donna McBride in 1973 Naiad went on to become one of the leaders in gay and lesbian book publishing and for years helped sustain lesbian and feminist bookstores and readers across the country **New Lesbian Criticism** 

Sally Munt,1992 This volume explores whether there can be a specific lesbian aesthetic juxtaposed against reading as a woman or as a heterosexual Contributors both explore the uses of recent theories such as post structuralism and offer a lesbian critique of such methodologies Close readings of contemporary lesbian fiction and popular culture focus on works such as Zami Oranges Are Not the Only Fruit The Wanderground and Desert of the Heart as well as on lesbian pornography Together the essays point to lesbian culture s ability to create new meanings for iteself and to foreground the intertextuality of lesbian identities Contributors Sonya Andemahr Lisa Henderson Hilary Hinds Katie King Reina Lewis Sally Munt Gillian Spraggs Angela Weir Anna Wilson Elizabeth Wilson and Bonnie Zimmerman *Murder by the Book?* Sally Rowena Munt,2003-09-02 A thorough and thoroughly enjoyable look at the genre of the feminist crime novel in Britain and the United States A pioneering work in the field and an indispensable guide for readers and scholars of the genre **Telling Sexual Stories** Ken Plummer,2002-11 First published in 2004 Routledge is an imprint of Taylor Francis an informa company
