Wallace,2016-03-16 Sabres Sorcery is a traditional pencil and paper role playing game based upon the excellent Sabres Witchery RPG by Simon Washburne Those gamers familiar with Sabres Witchery Labyrinth Lord or pre 1990s versions of Dungeons Dragons etc will have no problems understanding these rules The rules of Sabres Sorcery are simple enough for a 12 year old to grasp and meaty enough for a 48 year old to enjoy Included in this book are Rules for character creation and advancement Rules for exploring deep dark dungeons and battling those found within Rules for magic including Wizardly corruption Traditional range of Monsters plus a couple of new critters Two sample campaign settings The Known World with enough detail to get a campaign going and the bare minimum detail for The Gunpowder Plot Several pages of graph paper for house rules notes maps etc Character sheet to be copied for personal use **The Dynamic Cosmos** Diana Espírito Santo,Matan Shapiro,2022-05-19 This edited volume applies the analytic notions of paradox and play to the ethnographic manifestation of spirits angels and demons in different locations around the world The 10 case studies conceptualize the co presence of humans and entities with terms that do not exclude spiritual reasoning on the one hand and social explanations on the other Through in depth descriptions of localized possession cosmologies the different chapters collectively propose path breaking methodological directions in this field which incorporate ethnographic theories of simultaneity into anthropological theories of religion kinship and ritual Framed by an introduction written by the editors and an afterword by Michael Lambek a leading authority in possessions studies the volume contains cutting edge analyses that will provide readers with new tools to evaluate previously unstudied aspects of spirit possession all of which stem from the fantastic forms of human movement that accompany the phenomenality of paradoxes in mundane reality *Life at a Distance* Vincent Duclos,2025-06-15 In *Life at a Distance* Vincent Duclos recounts the story of the Pan African e Network Branded as India s gift to the world and as a shining example of South South cooperation the Pan African e Network was an exceptionally ambitious project Between 2009 and 2017 the network used satellite technology to connect hospitals across Africa with hospitals in India providing medical education and delivering health care for patients at a distance Duclos shows how by accelerating the flow of expertise across continents the network also created connected enclaves at once commercial infrastructural and medical *Life at a Distance* is the story of a project that Duclos suggests acted as a medium for speculation about the future about medical markets the nation South South relations and a new world order beyond Western centric scripts Breaking the Spell Daniel C. Dennett,2006-02-02 The New York Times bestseller a crystal clear constantly engaging Jared Diamond exploration of the role that religious belief plays in our lives and our interactions For all the thousands of books that have been written about religion few until this one have attempted to examine it scientifically to ask why and how it has shaped so many lives so strongly Is religion a product of blind evolutionary instinct or rational choice Is it truly the best way to live a moral life Ranging through biology history and psychology Daniel C Dennett charts religion s evolution from wild folk belief to domesticated dogma Not an antireligious screed but an unblinking look beneath the veil of

orthodoxy Breaking the Spell will be read and debated by believers and skeptics alike
