There's No Place Like Home Jean Studebaker, 2011-06-29 In the 1950s and 60s, Kansas farm life meant milking cows, gathering eggs, and butchering hogs and steers. It meant raising a garden, preparing meals from scratch, sewing clothes, and churning butter. It meant living close to the earth. It was a special time when children could wander the pastures and fields without fear and come home dirty after a day of hard play and harder work. Farmers produced much of what they needed to live and were almost completely self-sufficient. Farm life was basic, simple, and sweet, and family was the most important thing. *There's No Place Like Home* is the story of a Kansas farm family. It is the unique story of life in a different time and place, before technology and automation changed how things are done on the farm. It was a time when a farm life was a family project and everyone contributed. A collection of anecdotes and oral histories, this story includes the tales of a childhood on a Kansas farm in the mid 20th century and the joys and regrets for generations of such a life. It is the story of a life on the Kansas prairie, a celebration of the land and people of Kansas, and a re-telling of the histories of one family recounted around the kitchen table. It tells of the struggles, hopes, and disappointments of life in a simpler time and place.
