Tambourine Man Janet Mason Ellerby,2007-09-24 Set during the sexual revolution of the sixties this moving work recalls the decade s prodigious effect on a generation of Americans that came of age during that transformative time of changing mores Janet Mason Ellerby follows the crooked path she took from a protected and privileged childhood and early adolescence to her unplanned pregnancy and banishment and to her daughter s birth and adoption She then delves into the complex journey embarked on over the next thirty five years haunted by her first child s memory and attempting to compensate for her loss Ellerby crafts an autoethnography relating and reflecting upon the changes in middle class American attitudes that informed the conservative suburbs of the fifties through the political revolution of the sixties seventies and into today In so doing she provides a personal commentary on the shifts in adoption culture and describes the overlooked heartbreak that many birthmothers endure *The Lost Coin* Stephen Rowley,2023-09-18 In The Lost Coin Stephen Rowley shares his lifelong journey searching for his birth parents seeking his true identity and discovering his soul s calling We join him when as a boy growing up in Iowa he visits Chicago for the first time and is shocked by blatant racial segregation and sprawling urban poverty We see Stephen as a young athlete sustaining a life changing injury then becoming radicalized at the University of Wisconsin entering the field of education at Stanford and becoming a visionary school administrator before being fired by a vindictive Silicon Valley school board He plays golf with a Tibetan lama and experiences transcendence in a

vivid dream ultimately becoming a psychotherapist in his sixties We witness the heart rending scene when he and his wife adopt their own son and we join him for a poignant reunion with his birth mother who it turns out had desperately hoped he might appear in her life after she d given him up for adoption As we accompany Stephen Rowley on this adventurous and reflective journey we come to understand more deeply the trauma engendered when separating mother from child and the unspoken restlessness and yearning for connection many adoptees feel It is my hope he writes that we all may discover the unique capacity within us to heal and even thrive not in spite of the wounds we carry but because of them **Where Two Worlds Touch** River Faire,2023-12-04 2024 IBPA Benjamin Franklin Award winner Independent Book Publishers Association award of excellence Editor s Pick BookLife Reviews by Publishers Weekly Indie Books We Love selection LoveReading The UK s Leading Book Recommendation Website After the fairy tale of Happily Ever After ends in heartbreak what then From award winning author River Faire comes an inspiring account of second chances healing inexplicable magic and following the soul s compass River an alternative healer and Paris trained chef a decidedly reluctant mystic returns to England from America to help his ex partner back from the brink of death Stepping into a London life he left behind haunted by ghosts he finds himself on an unanticipated journey of the heart When the two men relocate to the English countryside he discovers more than a charming pastoral landscape he unexpectedly glimpses the fabric of life itself With disarming honesty and a searching lyrical voice Where Two Worlds Touch is a transcendent narrative about navigating the intricacies of the human heart no matter whom we love An invitation to say yes to uncertainty and vulnerability to trust the unknowable mystery while seeking the place we belong and what is uniquely ours to bring A genre defying memoir one part love story one part celebration of the table one part ode to nature and one part soul guide woven as an indelible offering that lingers long past the final page **Subject Guide to Books in Print** ,1975 Midwife of the Soul Shira Friedman,2025-07 There is something deeply powerful about sharing inspirational stories of personal transformation In this autobiographical teaching memoir the reader is given a guided tour into the mind heart and soul of a Highly Sensitive Person HSP Beginning with a collection of touching childhood vignettes traumatic life experiences and prophetic dreams the author reveals her personal healing journey of self discovery her goal to become a midwife of the soul and her ultimate mission to inspire readers to discover what is possible in their own lives Each vignette is followed by a prescriptive narrative or reflection intended to teach the reader how to recognize traumatic experiences as a gateway to spiritual awakening Just as a midwife identifies the signs of impending birth and guides the mother to a safe delivery a midwife of the soul identifies the signs and symptoms of spiritual birth hidden within life s most difficult challenges This teaching memoir will encourage the reader to acknowledge their own inner divinity as the highest priority and purpose in life recognize the soul s cry to be spiritually birthed and nurtured and to develop the qualities needed to become a midwife of their own sacred soul Adventures with Spirit Sue Ostapowich,2012-05 This book tells the true story of how Spirit moved into my life provided me with emotional healing and

Me, My Mother, My Life Ayomide Adeniyola, 2012 Me My Mother My life is a poetic journey through the trials of a young woman who longed to break free of the burden of an oppressive family legacy Beautifully narrated the author unblinkingly examines her life experiences telling her story in a way that only one who has deeply experienced life love and God could portray Born in London to Nigerian parents Ayomide spent her childhood and young adulthood in the country of her parent s origin where life for this young British girl was to be grabbed by both hands with spirit good humour and great resolve When she returned to England her faith in God led her on an odyssey to heal the generational issues with which she had long been faced Beyond its value as a beautifully constructed and gripping memoir this book leads the readers into their own private journey of reflection on their personal relationships containing the wisdom of emotional and spiritual healing as well as personal growth Not for the faint hearted Me My Mother My Life will deepen your understanding of life love and the value of forgiveness A well written personal tale of a woman s trials of the spirit and her passage to healing Kirkus Adeniyola writes well and is a sensitive observer the trajectory of her life from her student days in Nigeria to her professional life in England is genuinely interesting Her writing is informed by her Christian faith but not in a way that puts off more secular readers BlueInk Culture clash meets generation gap in this memoir by Ayomide Adeniyola Adeniyola s memoir remains compelling because of the strong family bond that comes through no matter how contentious the conversation With Me My Mother My Life Adeniyola uncovers the basic truth of many family arguments we wouldn t fight so much if we didn t care so deeply ForeWord Clarion

Journey of a Red Soul Marie Dion, 2017-11-06 What Spirit has revealed to me through personal past life experiences and shared stories creates a broad picture of how we return to life again and again to experience the world from different perspectives We have the chance either to heal and grow or to fail to learn and inflict harm on others Which of these scenarios occurs depends on the choices we make and the consequences manifest in this life and our lives to come To know yourself is to know your connection with the divine and your purpose This can only become clear when you mature and grow physically mentally and spiritually Once you are ready synchronicities happen in your life that you cannot explain but they

serve as validation that you are moving in the right direction and that you are fulfilling your purpose These events not only validate your path forward but also make the path easier for you Because a soul s evolution is both a personal and interconnected experience there is no avoiding a challenge either personally or on a global and societal scale in life For an individual soul to grow or for all of our souls to grow as a collective people we have to go through the dark times and challenges and make it to the other side to develop clarity and healing This is not an easy task It takes a lot of courage and faith both of which are lacking in the society we live in now However this does not mean things are hopeless for all people A lot of the things we are dealing with in our world now are a reflection of the collective and are happening so that we will once again find our faith We will once again find connection to the unseen world Our country needs to heal its past with the First People for us all to prosper This book is a courageous step in that process Jayne Gabrielle Psychic Counselor and Reiki Master Healer **Don't Shoot the Soul's Messengers** Jeanine Gaynor,2017-12 **Mothers Circle** Romina

Cavagnola,Fiona Louise,Erena Oliver,Dania Foster,Sunita Pamamull,2021-11-24 A mothers circle is an intimate gathering where women find compassion validation and acceptance through sharing their stories and experiences with other mothers who can truly offer understanding and support These days mothers have all but lost the networks that were organically put in place in early cultures They say it takes a village to raise a child and this was certain It also takes a village to initiate and support a woman into motherhood but not all mothers have access to a village The mothers in this book all found themselves seeking support that was simply not there at least not in the form of a sisterhood a circle that would hear them and hold them as they moved through the challenges and joys of motherhood They share their personal motherhood stories to gift hope healing empowerment and inspiration to other mothers who do not have a circle to hold them This foundational volume of Mothers Circle sets the stage for a movement to empower mothers through the most natural mode of connection stories As we share our struggles and our triumphs mother to mother we bring ourselves together and call in others who need the sisterhood of aligned souls walking beside them on their motherhood journeys Mamas this is the birth of YOUR sacred village

Soul Freedom Shelby Miles,2011-10-03 Have you ever felt like a prisoner in your own Mind Body or Spirit Have you felt like there was something more in the deep recesses of your soul but you couldn t access it This is a personal story depicting actual events about how one woman came through the most difficult of adversities facing her own inner demons She embarked on a 48 day journey of forgiveness hoping that her life of bondage would finally be set free Little did she know she would get swept in by a psychic vampire that would make her journey even more difficult She was unaware that journaling her experience would create so much controversy At the darkest of her hours she knew the truth of her story would set her free However the outside world wasn t so sure Join Shelby in the beginning stages of her Dark Night of the Soul as she struggles to figure out the meaning of love and trust but most importantly the meaning of pure self discovery
