The Swansea Jacks Andrew Tooze, 2008-09-04 Here in graphic detail the Swansea Jacks recount the history of their times following the Welsh club Cardiff City and their infamous Soul Crew. They have been arch rivals of the Swansea Jacks for more than four decades. Tooze and King chart the rise of the Swansea firm from the Skinhead movement in the late 60s until today's present fashion-conscious casuals. They write not just about the hooligan scene but also about the politics involved in following a lower league team, the music and the drugs scene.

Soul Crew Seaside Jeff Marsh, 2007-05-15 The story of one young man's life growing up as part of one of Britain's most notorious football hooligan groups Cardiff City's Soul Crew.

Hooligans Nick Lowles, Andy Nicholls, 2007-09-06 For forty years the scourge of hooliganism has blighted Britain's national game. Organised gangs from almost every town and city in the nation have used football as the arena for violent clashes in an unofficial contest for supremacy. They have rioted, wrecked, maimed and even killed. Yet they have remained largely anonymous, a reviled yet intriguing sub-sect of society. Who are the hooligan gangs of Great Britain? Where do they come from and how do they organise? Who are the principal players past and present? These questions and many more are answered in *Hooligans*, the first volume of a unique and comprehensive two-part reference guide to the most ingrained and active soccer yob network in the world. Packed with photos and informative profiles of the gangs both large and small, *Hooligans* also documents the myths, the nicknames, the victims, the localities, the battles and the police operations. Combining hard fact with occasional touches of black humour and intense research with first person recollections, *Hooligans* covers the whole spectrum of the gangs from Aberdeen to Luton, the Barnsley Five O and their vicious slashing at the hands of Middlesbrough, Paul Dodd, England's self-styled Number One hooligan, the combined force of the Dundee Utility, the riots of the Leeds Service Crew, Benny's Mob, the Main Firm, the Lunatic Fringe, the Bastard Squad, they're all here together with numerous photos of mobs, fights and riots. Packed to the brim with scrupulous research, hard hitting interviews and black humour, this is the final word on terrace yobbery.
