## **Soul On The Couch:**

**Soul on the Couch** Charles Spezzano, Gerald J. Gargiulo, 2013-06-17 Ever since Freud put religion on the couch in *The Future of an Illusion* there has been an uneasy peace with occasional skirmishes between these two great disciplines of subjectivity As prime meaning givers God and the unconscious have vied for supremacy in our thinking about ourselves especially our thinking about our human nature our moral stature and our destiny Freud in his bold manner found projection fear and denial to be the wellspring of religion s domination over man In analogous fashion those giving primacy to the soul over the unconscious have long dismissed psychoanalysis as mechanistic reductionistic and hence inadequate to the examination of spirituality *Soul on the Couch* is premised on the belief that discourse about the soul and discourse from the couch can inform and not simply ignore one another It brings together scholars and psychoanalysts at the forefront of an interdisciplinary dialogue that is vitally important to the growth of both disciplines Their essays are not only models of reflective inquiry they also illuminate the syntheses that emerge when analysts and scholars of religion bridge the gap that has long separated them and speak to one another

Boyd, 2015-01-13 The reader becomes emotionally committed within the first ten pages Bart Stearman is committed to meeting his Maker Melba Kirsham is committed to saving the life of her infant son Arnold Circumstance and serendipity thrust both of them into the middle of a medical experiment that will affect not only Barts soul but the souls of others Fighting against odds that suggest he cannot succeed Bart struggles to save the life and soul of Arnold Kirsham who is an unwitting player in the conflict Before their souls can be saved Bart must align with the only source of power capable of energizing a battle in the darkness outside the Light

*Soul's Gate* James L. Rubart, 2012-11-05 Every now and then we get a break from reality A glimpse into the other world that is more real than the reality we live in 99 percent of our days The Bible is about a world of demons and angels and great evil and even greater glory What if you could travel inside another person s soul To battle for them To be part of Jesus healing their deepest wounds To help set them free to step boldly into their divinely designed future Thirty years ago that s exactly what Reece Roth did Until tragedy shattered his life and ripped away his future Now God has drawn Reece out of the shadows to fulfill a prophecy spoken over him three decades ago A prophecy about four warriors with the potential to change the world if Reece will face his deepest regret and teach them what he has learned They gather at a secluded and mysterious ranch deep in the mountains of Colorado where they will learn to see the spiritual world around them with stunning clarity and how to step into the supernatural Their training is only the beginning The four have a destiny to pursue a freedom even Reece doesn t fully fathom But they have an enemy hell bent on destroying them and he ll stop at nothing to keep them from their quest for true freedom and the coming battle of souls Readers with high blood pressure or heart conditions be warned this is a seriously heart thumping and satisfying read that goes to the edge jumps off and builds wings on the way down Publishers Weekly
