The third addresses traditional healing as it circles back to our understanding of drugs and psychiatry The chapters explore how these dimensions are distinct but

deeply intertwined themes that offer important insights into contemporary healing practices. The intended audience of the volume is large and diverse neuroscientists biologists medical doctors psychiatrists psychologists mental health professionals interested in the therapeutic application of psychedelic substances or who work with substance abuse depression anxiety and PTSD patients and practitioners of complementary and alternative medicine ethnobotanists and ethnopharmacologists lawyers criminologists and other specialists in international law working on matters related to drug policy and human rights as well as scholars of religious studies anthropologists sociologists and historians social scientists concerned both with the history of science medicine and technology and concepts of health illness and healing It has a potentially large international audience especially considering the increasing interest in psychedelic science and the growing spread of the use of traditional psychoactives in the West The Works of the Long-mournful and Sorely-distressed Isaac Penington, Isaac Penington, 1681 The Origins of the Christian Mystical Tradition Andrew Louth, 1983 Scholars of the patristic era have paid more attention to the dogmatic tradition in their period than to the development of Christian mystical theology Andrew Louth aims to redress the balance Recognizing that the intellectual form of this tradition was decisively influenced by Platonic ideas of the soul s relationship to God Louth begins with an examination of Plato and Platonism The discussion of the Fathers which follows shows how the mystical tradition is at the heart of their thought and how the dogmatic tradition both moulds and is the reflection of mystical insights and concerns This new edition of a classic study of the diverse influences upon Christian spirituality includes a new Afterword which brings the text completely up to date Book jacket **Odyssey** Ali Ucar, 2024-12-15 The Soul's Odyssey Insights from the Our an Philosophy and Sufi Wisdom By Ali Ucar Journey into the profound depths of the soul with The Soul's Odyssey Insights from the Qur an Philosophy and Sufi Wisdom This enlightening book explores humanity s eternal guest for purpose divine connection and spiritual fulfillment Combining timeless wisdom from the Qur an the profound reflections of Islamic philosophers and the mystical teachings of Sufi masters this work serves as both a guide and an inspiration for seekers of truth What Awaits You in These Pages Divine Origin and Covenant Discover the soul's sacred beginnings and its purpose through the lens of the Qur an and Islamic theology Philosophical Insights Delve into the ideas of Islamic luminaries like Al Farabi Ibn Sina and Al Ghazali on the metaphysics of the soul free will and immortality Mystical Teachings Be inspired by the poetic wisdom of Sufi masters such as Rumi Ibn Arabi and Attar exploring love union and surrender to the Divine Modern Relevance Learn how ancient teachings on mindfulness ethical living and spiritual growth can help navigate the challenges of the modern world Why This Book is Unique It bridges theology philosophy and mysticism offering a holistic view of the soul s journey It speaks to contemporary readers providing practical tools for personal reflection and growth It brings the wisdom of Islamic spirituality to life in a way that is accessible inspiring and deeply meaningful Whether you are new to Islamic thought or a seasoned seeker on the spiritual path The Soul's Odyssey will captivate your heart and mind inviting you to explore the eternal call of the Divine
