Lane, 2007-02-26 In the tradition of Kathleen Norris Terry Tempest Williams and Thomas Merton The Solace of Fierce Landscapes explores the impulse that has drawn seekers into the wilderness for centuries and offers eloquent testimony to the healing power of mountain silence and desert indifference Soul Making Alan W. Jones, 1989-05-10 A leading spiritual writer recovers The Desert Way of Believing the spiritual pathway discovered by early Christian monks who lived in the Egyptian desert that is still relevant to Christians today Alan Jones distills the elements that made this fully orthodox way of inner transformation a unique and important part of the early church Refreshingly readable and filled with rich insights Soul Making draws together the spirituality of modern literature and elements of psychology Jones shows how the desert way can become for any spiritual seeker a soul stretching means of experiencing the wonder mystery and awe at the heart of the Christian faith *Spiritual Direction* Sue Pickering, 2014-09-16 Spiritual direction has been an intrinsic part of the Christian tradition since the earliest days of the church when desert mothers and fathers were sought out for their wisdom and guidance This guide aims to equip clergy and laity engaged in this task or in training for it *Beloved Dust* Robert Hughes, 2008-08-15 Beloved Dust takes a realistic and contemporary view of human being as entirely physical dust and then shows it immersed in three great tides of the Holy Spirit the traditional threefold rhythm of conversion transfiguration and glory *Christian Mysticism's Queer Flame* Michael Bernard Kelly, 2018-09-03 Is the Christian mystical tradition a relic of another time shaped by celibates for celibates unable to engage meaningfully with people of our time who embrace their corporeality and sexuality as crucial aspects of their journey towards union with God This book reflects in serious theological depth and detail on the spiritual and sexual journeys of gay men of mature and committed Christian faith employing the Christian mystical tradition as the lens

and the interlocutor in this process This study examines the major themes and stages of the mystical tradition as outlined by Evelyn Underhill but also including more recent work by Ruth Burrows Thomas Merton and Constance Fitzgerald Using methods of qualitative research it then considers the texts of in depth interviews conducted with men most of whom are theologians or spiritual leaders with a deep Catholic faith and all of whom are openly self affirmingly gay Finally it employs Ricoeur s hermeneutical theory to engage in a creative theological conversation between the traditional mystical stages and themes and these men s lives as described in their interviews This is a unique study that brings together ancient spirituality with contemporary lived religion As such it will be of interest to scholars of religious studies theology Christian mysticism and spirituality and queer studies It will be of particular interest to those teach spiritual direction and to all who seek new ways to engage with the spiritual lives of LGBTIQ people **In the Potter's Workshop** Robert P. Vande

Kappelle,2019-03-08 When you think of God what images come to mind Do you see God in others Do you acknowledge God s presence in each circumstance and situation of your everyday life no matter how trivial How you conceive God determines how you experience God As contemporary author Frederick Buechner advises Listen to your life Listen to what happens to you because it is through what happens to you that God speaks While spiritual life of some kind is necessary for psychological health psychotherapist Thomas Moore indicates in Care of the Soul that excessive or ungrounded spirituality can be dangerous leading to compulsive and even violent behavior It is better for religious seekers to embrace a religious practice that has been tested and refined over time than to experiment solo or by joining some exotic new sect In this book Dr Vande Kappelle explores the richness of Catholic and Protestant spiritual traditions and the power of intuition and imagination to chart an approach to the sacred that is simple practical and effective Holistic religion requires three elements in creative tension a historical or institutional element a mystical or emotional element and an intellectual or scientific element If you want to know what this means and how it is accomplished read this book Designed as a study guide for group or individual use In the Potter s Workshop will challenge and inspire you to experience God in ways that are sustainable and transformative **Desert Fathers and Mothers** ,2012-08-01 Timeless and contemplative sayings from the earliest

Britton, 2018-05-16 Henri Nouwen wisely said The great illusion of leadership is to think that man can be led out of the desert by someone who has never been there Jesus has been there and knows how to lead us out but first he just may lead us in He meets us in the desert and does his best work in us there We look for an easier way in vain I myself reluctantly entered the desert and eventually received unimagined gifts there gifts I didn t ask for deserve or want gifts hidden in such painful loss that I despaired and yet looking back now these desert gifts were the best thing that ever happened to me I entered the desert and years later found my way out It s not a new way it was just new to me Jewish and Christian sages had been living it for thousands of years Somehow in recent generations we managed to forget it In this collection I mean to begin to make those riches available to you I m hoping that like me you ll discover something that you didn t know you wanted or needed and something now you wouldn t give up at any price Abba's Child Brennan Manning, 2015-06 Are you struggling to accept God s love We ve bought into the lie that we are worthy of God s love only when our lives are going well But when life begins to fall through the cracks and things become less than perfect we scramble to present a good front to the world and to God God longs for us to deeply believe and know that He loves us and accepts us as we are He calls for us to remove our masks and establish honest deep and trusting relationships with Him When we are our true selves we can finally claim our

Laucik, 2000-12-20 Two years before he fell in love with another woman and decided to leave his wife Stephen Laucik began keeping a private spiritual journal listening to his daily life as a form of prayer Darkness Dreams a highly condensed edition of that journal is the result It chronicles Laucik's agonizing process of ending a long dysfunctional relationship and coming to terms with his decision before God It is an intensely personal narrative of a universal theme the death and resurrection of love For readers facing similar circumstances the story pays off both psychologically and spiritually On one level it validates every emotion men and women normally experience at the ending of one love story and the beginning of another More important however it simply and eloquently testifies to the dogged persistence of that Divine Lover who never leaves even in our darkest hours Ultimately Darkness Dreams holds up a mirror in which readers can see themselves their intimate relationships and their own spiritual journeys with greater clarity and compassion

Understanding Our Story Rebecca Letterman, Susan Muto, 2017-02-28 Understanding Our Story presents a concise introduction to the original transformative thinking of Adrian van Kaam CSSp PhD 1920-2007 While many books are available on spiritual formation and Christian disciplines no other author of our time has offered such a holistic and comprehensive explanation of Christian formation and its relationship to the human spirituality of all persons Understanding our Story culls the most seminal ideas and vocabulary from van Kaam's eleven volumes on formation science formation anthropology and formation theology and provides examples of his theoretical practical research drawn from everyday life Scripture Christian

writers and van Kaam's life story itself. In doing so it makes his extensive work available to scholars in the field of spiritual formation and gives all readers the opportunity to utilize his insightful thinking to more fully understand the myriad ways in which God reforms and transforms lives into the image of Christ. In the pluritraditional world in which we live where so many faith and formation traditions demand our attention, van Kaam's formative spirituality provides a means of respectful dialogue with formationally relevant truths from others and of wise appraisal of ideas that are and are not conducive to and compatible with the Christian revelation.
