Goicoechea, 2013-03-13 Goicoechea explains Nietzsche's thesis that the agapeic love of Jesus is humankind's highest affirmation even for sinners like the author's father Joe Goicoechea who lived it out existentially. Already before the Q scholars Nietzsche saw this love as the essence of the Sermon on the Mount and based his philosophy upon it. Throughout the Catholic tradition agape fulfilled the affection of Empedocles, the eros of Plato, the friendship of Aristotle, and the agape of Plotinus. While as Anders Nygren shows modernists protested such syntheses, now postmodernists once again let agape and the four loves contribute to one another.      The Bloomsbury Handbook to Toni Morrison Kelly Reames, Linda Wagner-Martin, 2022-12-15 The most substantial collection of critical essays on Morrison to appear since her death in mid 2019. This book contains previously unpublished essays which both acknowledge the universal significance of her writing even as they map new directions. Essayists include pre-eminent Morrison scholars as well as scholars who work in cultural criticism, African American letters, American modernism, and women's writing. The book includes work on Morrison as a public intellectual, work which places Morrison's writing within today's currents of contemporary fiction, work which draws together Morrison's trilogy of *Beloved*, *Jazz*, and *Paradise* alongside Dos Passos' USA trilogy, work which links Morrison to such Black Atlantic artists as Lubaina Himid and others, as well as work which offers a reading of influence that goes both directions between Morrison and Faulkner. Another cluster of essays treats seldom-discussed works by Morrison, including an essay on Morrison as writer of children's books and as speaker for children's education. In addition, a Teaching Morrison section is designed to help teachers and critics who teach Morrison in undergraduate classes. The Bloomsbury Handbook to Toni Morrison is wide-ranging, provocative, and satisfying, a fitting tribute to one of the greatest American novelists.      Spoken Love Derrick Dzingirai, 2009-09-16 *Spoken Love* is the fictional poetic interpretation of a painting. The painting captures soul mates professing love for the first time before tumultuous events in their relationship occur. The book details the story of Mr and Mrs Poem with grandeur and graphic detail. Narrated by vintage man and woman, *Spoken Love* is like turning pages as their memories cast like fishing rods into The River of Reflection. The scenery is amazing. It's like wet wood in the fireplace blazing, then blowing the ember of their encounters and rekindling a new fragrance to their flame. It's like hot cocoa and communication. Mr and Mrs Poem's characters get developed like negatives to bring out the positive values in their adulterous affair of bliss. Written in a poetic form that reads like dialog, as Mr and Mrs Poem make confessions before a sea of anticipating audience members about the circumstances that brought them together, apart, and back to back to face forever, *Spoken Love* goes back and forth between past and present, dealing with the dynamics of being single, divorced, and separated in and out of poetry and fictional dimensions, solidifying the written intention of blurring the line between poetry, novel, stage, screen, play, reality, and personal connection, and making the hard times for Mr and Mrs Poem as well as you and yours hard to remember. *Spoken Love* was written for couples to feel forever as they read together, as they gradually realize that every moment in love is a treasure.

Spoken Love is a novel song a fictional poem without an ending an eternal endeavor Spoken Love is the blue ocean of novels the Cirque du Soleil of poetry Poetry books don't compel you to read chapter after chapter Spoken Love does Contemporary novels attempt to be poetic but fall short Spoken Love is a page turning fictional novel enhanced with paintings and riveting writing unlike any other *Anna's Inspirational Poems* Anna Lee Nelson, 2012-10-24 I began writing poetry in 1951 This book of poetry is influenced by my faith in God that spreads through every poem that I have written on these humble pages My intentions are to edify and exhort the reader to be inspired by these treasures of my soul Anna L Nelson *Keats-Shelley Journal*, 1958 *The Wonderbox* Roman Krznaric, 2011-12-22 There are many ways to try to improve our lives we can turn to the wisdom of philosophers the teachings of religions or the latest experiments of psychologists But we rarely look to history for inspiration and when we do it can be surprisingly powerful Showing the lessons that can be learned from the past cultural historian Roman Krznaric explores twelve universal topics from work and love to money and creativity and reveals the wisdom that we've been missing There is much to be learned from Ancient Greece on relationships from the industrial revolution on job satisfaction and from Ming dynasty China on bringing up our children Just as a Renaissance Wunderkammer was a curiosity cabinet full of fascinating objects each with a story behind it The Wonderbox is full of stories and ideas from history each of which sheds invaluable light on the decisions we make every day whether we think about the different uses of the senses or changing attitudes to time History is usually read for pleasure or for insight into current affairs but The Wonderbox stepping into the territory of Alain de Botton and Theodore Zeldin is practical history using the past to think about our day to day lives *Destruction, Ethics, and Intergalactic Love* Peter Admirand, 2022-12-30 *Destruction Ethics and Intergalactic Love Exploring Y The Last Man and Saga* offers a creative and accessible exploration of the two comic book series examining themes like nonviolence issues of gender and war heroes and moral failures forgiveness and seeking justice and the importance of diversity and religious pluralism Through close interdisciplinary reading and personal narratives the author delves into the complex worlds of Y and Saga in search of an ethics meaning and a path resonant with real world struggles Reading these works side by side the analysis draws parallels and seeks common themes around the four central ideas of seeking and making meaning in a meaningless world love and parenting through oppression and grief peacefulness when surrounded by violence and the perils and hopes of diversity and communion This timely and thoughtful study will resonate with scholars and students of comic studies media and cultural studies philosophy theology literature psychology and popular culture studies *Why Him?
