## **Soul Of Man Under Socialism Other Essa:**

**The Soul of Man under Socialism** Oscar Wilde,2021-08-28 When The Soul of Man Under Socialism first saw the light of day in 1891 this the only explicitly political essay by Oscar Wilde was hardly noticed for he published four books in that year alone It did not trigger a scandal even though it is devoted to the scandal of man exploiting man at such length and in such a knowledgeable way that it is topical even today Having seen this scandal with his own eyes in the United Kingdom and Ireland as well as in the United States and France Wilde formulated insights nowadays brought forward by thinkers and historians of globalisation His English is brilliant as ever and provocative also it is informed by his profound reflections on socialism and individualism in the context of Christianity [The Soul of Man Under Socialism](#) Oscar Wilde,2015-10-10 The chief advantage that would result from the establishment of Socialism is undoubtedly the fact that Socialism would relieve us from that sordid necessity of living for others which in the present condition of things presses so hardly upon almost everybody In fact scarcely anyone at all escapes [The Soul of Man Under Socialism](#) Oscar Wilde,2017-11-02 Under Socialism all this will of course be altered There will be no people living in fetid dens and fetid rags and bringing up unhealthy hunger pinched children in the midst of impossible and absolutely repulsive surroundings The security of society will not depend as it does now on the state of the weather Wilde was greatly influenced by his reading of Pyotr Kropotkin and in 1891 published The Soul of Man in Fortnightly Review [The Politics of Disinterestedness in Nineteenth-Century Literature](#) Natalie Roxburgh,2025-05-01 The Politics of Disinterestedness in Nineteenth Century Literature historicizes the concept of disinterestedness by examining discourses on political economy during and before the 19th century It argues that certain literary texts respond to the way all interests are transformed into economic interests during this period It also shows that this has implications for aesthetics and questions of aesthetic autonomy in which discourses on disinterestedness are tied up Through a New Formalist approach Natalie Roxburgh provides fresh readings of texts by Robert Browning George Eliot and Oscar Wilde whose respective oeuvres demonstrate an attention to the formal affordances of literary disinterestedness that compete with and critically assess other versions Browning develops a dramatic monologue so that the reader is enticed to re read his poems Eliot cultivates the problematic character who must struggle with her desire within a larger play of interests in a way that evolves the realist Condition of England novel and Wilde experiments with the blending of genres in his critical essays by rendering them as dramatic dialogues that serve as contemplative mechanisms for playing with a multiplicity of interests which he explores in terms of influence Reading these canonical authors through the politics of disinterestedness sheds new light on literary value and in particular the formal techniques seen as important by the end of the 19th century just as liberal democracy emerged in Britain **De Profundis and Other Writings** ,2015 **Anarchism and Other Essays** Emma Goldman,2024-11-12 A true classic of radical literature in its first scholarly annotated edition Emma Goldman the notorious anarchist deported from the United States in 1919 for seditious activities was a leading figure

of American anarchism for almost thirty years She continued to write and speak on anarchism for the rest of her life in exile first in Soviet Russia and then in Europe including Spain during the Spanish Revolution and finally Canada Goldman played a pivotal role in the development of anarchism in America and Europe in the first half of the twentieth century This collection first published in 1910 by her press Mother Earth Publishing Association illustrates her wide reaching mind and ability to bring together strands of American and European individualism anarchist communism and early feminist thinking to develop a body of work that continues to influence the theory and practice of anarchism today Essays include Anarchism What It Really Stands For The Psychology of Political Violence Prisons A Social Crime and Failure The Hypocrisy of Puritanism The Tragedy of Woman s Emancipation and Marriage and Love among others A new introduction by Moran and Pateman situates Goldman s thinking in the movement of her day but also makes clear why her essays are still vital Annotations throughout bring to light individuals and events that enrich our understanding of Goldman s writings The Working Classics Series revives lineages of radical thought from the history of the anarchist movement

**Catalogues- American Art Association, Anderson Galleries, Inc** American Art Association, Anderson Galleries (Firm),1924 *Encyclopedia of the Essay* Tracy Chevalier,2012-10-12 This groundbreaking new source of international scope defines the essay as nonfictional prose texts of between one and 50 pages in length The more than 500 entries by 275 contributors include entries on nationalities various categories of essays such as generic such as sermons aphorisms individual major works notable writers and periodicals that created a market for essays and particularly famous or significant essays The preface details the historical development of the essay and the alphabetically arranged entries usually include biographical sketch nationality era selected writings list additional readings and anthologies

*The importance of being a reader: A revision of Oscar Wilde's works* Cristina Pascual Aransáez,2014-09-01 This book explores Wilde s works from the hypothesis that they call upon the active participation of the reader in the production of meaning It has a twofold objective first it shows that Wilde s emphasis on the creative role of the audience in his critical writings makes him conceive the reader as a co creator in the construction of meaning Second it analyses the strategies which Wilde employs to impel the reader to collaborate in the creation of meaning of his literary works and casts light upon the social criticism derived from these The examination of Wilde s writings reveals how he gradually combined more sophisticated techniques that encouraged the reader s dynamic role with the progressive exploitation of self advertising strategies for professional purposes These allowed the commercial Oscar to make his works successful among the Victorian public without betraying the literary Wilde s aesthetic principles The present study re evaluates Wilde as a critic and as a writer It demonstrates that while Wilde the myth was ahead of his time in many ways Wilde the ARTIST anticipated in his aesthetic theory various themes which occupy contemporary literary theoreticians Thus it may contribute to give him the status he rightly deserves in the history of literature

*Thinkers, Activists, and Politics* R. G. Williams,2025-06-27 This book is a collection of critical essays that examines the lives politics and ideas of several radical

activists writers and revolutionaries over the past two centuries individuals who fought for human freedom Spanning figures from Karl Marx to Che Guevara the essays delve into the challenges these revolutionaries faced and how their bold ideas reshaped political thought They also highlight how the legacy of their actions continues to fuel debates about freedom humanity and the role of the individual in modern society People often interpret the world real revolutionaries attempt to change it

Oscar Wilde and Modern Culture Joseph Bristow, 2009-01-12 Oscar Wilde and Modern Culture The Making of a Legend explores the meteoric rise sudden fall and legendary resurgence of an immensely influential writer's reputation from his hectic 1881 American lecture tour to recent Hollywood adaptations of his dramas Always renowned if not notorious for his fashionable persona Wilde courted celebrity at an early age Later he came to prominence as one of the most talented essayists and fiction writers of his time In the years leading up to his two year imprisonment Wilde stood among the foremost dramatists in London But after he was sent down for committing acts of gross indecency it seemed likely that social embarrassment would inflict irreparable damage to his legacy As this volume shows Wilde died in comparative obscurity Little could he have realized that in five years his name would come back into popular circulation thanks to the success of Richard Strauss's opera Salome and Robert Ross's edition of *De Profundi* With each succeeding decade the twentieth century continued to honor Wilde's name by keeping his plays in repertory producing dramas about his life adapting his works for film and devising countless biographical and critical studies of his writings This volume reveals why more than a hundred years after his demise Wilde's value in the academic world the auction house and the entertainment industry stands higher than that of any modern writer

**The Athenaeum**, 1912 *The Soul of Man Under Socialism* Oscar Wilde, 2021-03-02 Oscar Wilde presents a libertarian socialist view of the economic disparities caused by capitalism that lead to futile acts of charity instead of definitive solutions Wilde encourages an overhaul of the structures that allow such inequalities to exist *The Soul of Man Under Socialism* is an insightful look into Wilde's personal and political beliefs Within the essay he emphasizes individualism over group think using Jesus Christ as a prime example He also offers a detailed critique of capitalist societies that revel in charity instead of eliminating its need Poverty cannot be fought with kindness it requires genuine compassion backed by policy Wilde's perspective was heavily influenced by the writings of Peter Kropotkin a Russian anarchist and socialist In *The Soul of Man Under Socialism* Wilde invokes powerful ideas that call for accountability and drastic change It's a raw declaration of his contemporary anarchist views With an eye catching new cover and professionally typeset manuscript this edition of *The Soul of Man Under Socialism* is both modern and readable

Lazy Idle Schemers Gregory Dobbins, 2010 Gregory Dobbins argues that the cultural politics of Irish modernism lie precisely in its engagement with the concept of idleness

Wilde's Intentions Lawrence Danson, 1997 What were Wilde's intentions They had always been suspect from the time of *Poems* when the charge was plagiarism to his trials when the charge was sodomy In *Intentions* 1891 and in two related essays *The Portrait of Mr W H* and *The Soul of Man Under Socialism* Wilde's epigrammatic dazzle and paradoxical

subversions both reveal and mask his designs upon fin de siècle society In the first extended study of Wilde's criticism Lawrence Danson examines these essays dialogues fictions and assesses their achievement He sets Wilde's criticism in context showing how the son of an Irish patriot sought to create a new ideal of English culture by elevating lies above history leveling the distinction between artist and critic and ending the sway of nature over liberated human desire **The Cambridge Companion to Oscar Wilde** Peter Raby, 1997-10-16 The Cambridge Companion to Oscar Wilde offers an essential introduction to one of the theatre's most important and enigmatic writers Although a general overview the volume also offers some of the latest thinking on the dramatist and his impact on the twentieth century Part One places Wilde's work within the cultural and historical context of his time and includes an opening essay by Wilde's grandson Merlin Holland Further chapters also examine Wilde and the Victorians and his image as a Dandy Part Two looks at Wilde's essential work as playwright and general writer including his poetry critiques and fiction and provides detailed analysis of such key works as *Salome* and *The Importance of Being Earnest* among others The third group of essays examines the themes and factors which shaped Wilde's work and includes Wilde and his view of the Victorian woman Wilde's sexual identities and interpreting Wilde on stage This 1997 volume also contains a detailed chronology of Wilde's work a guide to further reading and illustrations from important productions **Framed** Elizabeth Carolyn Miller, 2008-10-30 By introducing us to the New Woman Criminal **Framed** offers a profoundly different view of the fin de siècle British crime narrative **WILDE NOW** Pierpaolo Martino, 2023-05-08 **WILDE NOW** reads Oscar Wilde through our now through a contemporary sensibility and approach in which literature and popular culture interrogate and are interrogated by critical concepts and categories such as performance celebrity intermediality and consumerism This volume exceeds the shape and meaning of a critical study to turn into a drama of five different acts moments in Wilde's life and work his early performances in Dublin London and Oxford the 1882 American tour his successful season of the first half of the 1890s his prison years and finally his glorious resurrection in contemporary pop culture Most importantly **WILDE NOW** approaches these moments through contemporary rewritings and performances of Oscar Wilde in the fields of cinema music and literature by such artists as Al Pacino Rupert Everett Stephen Fry Gyles Brandreth David Hare David Bowie Morrissey Nick Cave Neil Tennant Gavin Friday These artists through their awareness of the importance of being playing Oscar in their specific worlds and cultural contexts will also show us that Wilde can be conceived as a subversive critical role one might successfully perform and appropriate now more than ever The Importance of Reinventing Oscar, 2021-11-01 The present collection of essays is the outcome of the Oscar Wilde conference held at the Technical University of Dresden 31 August 3 September 2000 The papers cover a wide range of historical and comparative aspects they look into the status of Wilde as poet dramatist essayist and intellectual during his own times as well as investigate the meaning of his work for subsequent writers and critics thus giving an outline of the Wildean history of literary reception intellectual discourse and media transformation Intellectually brilliant and challenging Oscar Wilde had

been a favourite of the late Victorians performing the roles of the dandy and the poet of art for art's sake. However, due to his questioning of prevalent moral double standards and his insistence on the autonomy of art, he was indicted for gross indecencies, convicted and sent to prison. Instead of being ostracised, he became a source of inspiration for writers and artists on the British Isles as well as on the European continent. The papers in this volume explore such topics as Wilde's concepts of socialism and aestheticism, his fashioning of the femme fatale and of the dandy, his use of fashion and of simulation, his impact on modernism and postmodernism as well as on genres such as crime writing and fictional biography, and the influence of Wilde on writers such as James Joyce, W. B. Yeats, Joe Orton, Peter Ackroyd, Tom Stoppard, David Hare, and Mark Ravenhill. Other papers focus on the reception of Wilde in Russia, former Yugoslavia, Hungary, and Germany, as well as on cinematic and Internet representations of Wilde. Critical and creative responses vary from the general to the specific, from traditional assessments to analyses of the arts of camp, parody, and pastiche, thus indicative of the sub-cultural appropriation of Saint Oscar. Terry Eagleton

**A Practical Reader in Contemporary Literary Theory** Peter Brooker, Peter Widdowson, 2014-05-22

This introduction to practicing literary theory is a reader consisting of extracts from critical analyses largely by 20th-century Anglo-American literary critics set around major literary texts that undergraduate students are known to be familiar with. It is specifically targeted to present literary criticism through practical examples of essays by literary theorists themselves on texts both within and outside the literary canon. Four example essays are included for each author text presented.

## Adopting the Melody of Appearance: An Psychological Symphony within **Soul Of Man Under Socialism Other Essa**

In a global consumed by displays and the ceaseless chatter of immediate communication, the melodic beauty and psychological symphony created by the published word often diminish in to the background, eclipsed by the relentless noise and distractions that permeate our lives. Nevertheless, located within the pages of **Soul Of Man Under Socialism Other Essa** a charming fictional value full of raw feelings, lies an immersive symphony waiting to be embraced. Crafted by a masterful musician of language, this interesting masterpiece conducts visitors on an emotional journey, well unraveling the hidden tunes and profound influence resonating within each carefully constructed phrase. Within the depths of this moving examination, we shall examine the book is key harmonies, analyze their enthralling publishing type, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
