Ph.D.,2018-06-23 This book has been written to advance a vision to foster the nurture and sustenance of human life on the precious biosphere we call earth our one and only home Any vision without foundation is vacuous So what is our foundation There are only two basic assumptions about human nature that we all have spiritual qualities and that our spirits aspire to reach and attain states of being qualities of life and other things that are higher and better for ourselves and our families It is an unerring focus on life one that builds on its relentless force in each of us reaching for the stars      What No One Tells the Bride Marg Stark,2013-08-13 What No One Tells the Bride is the inside scoop good and bad on what it s really like being married In these pages journalist Marg Stark breaks the newlywed code of silence and exposes the profound adjustments brides often experience Stark and 50 married women tell their stories showing others how to handle turbulence on cloud

nine and reveal marital truths such as You don't feel like a Mrs Sometimes you even dream about old boyfriends You write all the wedding gift thank you notes So you are doomed to your mother's life 60 years of doing more than your share Making love is the last thing on your mind when you have the flu and haven't showered for days But he still wants to You tell him you got these incredible bargains and quietly resent having to justify your spending You have shining moments when marriage feels absolutely right but nevertheless you pine for something more Humorous and compassionate with advice from marriage counselors ministers financial advisors and sex therapists What No One Tells the Bride is not only a practical guide for every newly married woman it also makes the perfect wedding shower gifts **Eight Brief Lessons on Life** T. Byram

Karasu,2018-10-31 We all have indistinct outlines of our life's trajectory but we need to formulate a much clearer guiding principle of existence and learn the art of living From our accumulated knowledge base we need some generic guideposts Eight Brief Lessons on Life provides these guideposts Its lessons evolve from a highly condensed distillation of thousands of years of wisdom uncommon common sense It provides a template for the essence of being becoming a grown up and living a joyful and successful life The More of Myth Mary Aswell Doll,2011-11-19 This book uses a nine year experience of teaching world mythology to art students in order to discuss why and how such ancient stories provide significance today Myth's weird images and metaphors recall Wyrd Word the goddess of the cauldron Students can be guided into the cauldron of mythic language to feel the stirring of new awareness of what it really means to be human Psychologically myth offers insights into family relations memory imagination and otherness Ecological insights from myth teach the connection among human animal plant relations and the organicism of all life forms Cosmological insights from myth surprisingly echo findings in new science with its emphasis on quantum mechanics force fields black holes subatomic particles chaos and the possibilities of time travel Two areas often considered completely opposite myth and science actually reflect one another since both propose theories albeit in different ways Myth cannot be laughed away as mere fabula since like science and psychology it has long explored adventures into unseen unknown worlds that yield necessary knowledge about the place of humans in the scheme of things big and small The more of myth will be of interest to teachers and students of curriculum studies to those seeking to go beyond Oedipus and Gutenberg and to readers who know that all forms of life including fingernails and rocks are wondrous diverse alive capable purposive and necessary **Education and the Soul** John P.

Miller,2000-01-01 With emphasis on preparing students for jobs standards and achievement testing many think that North American education has become inwardly deadening yet this book provides a counterbalance as it offers a way to nurture the soul in classrooms and schools **Friends** Emma S. Etuk,1999 In this book you'll gain insights about friendship relationships which emphasize self improvement spirituality self esteem guidance and personal growth You'll be led to fully understand the human experience personal reflection and spiritual enrichment in everyday life **Gandhi and Rajchandra** Uma Majmudar,2020-08-20 Mahatma Gandhi one of the greatest influencers in the world was himself influenced by

trailblazing thinkers and writers like Tolstoy Ruskin Thoreau and others each one contributing significantly to his moral and spiritual development Yet only a few people know the most consequential person to have played a pivotal role in the making of the Mahatma Shrimad Rajchandra About the unparalleled influence of this person Gandhi himself wrote I have met many a religious leader or teacher and I must say that no one else ever made on me the impression that Raychandbhai did Uma Majmudar digging deep into the original Gujarati writings of both Gandhi and Rajchandra explores this important relationship and unfolds the unique impact of Rajchandra s teachings and contributions upon Gandhi The volume examines the contents and significance of their intimate spiritual discussions letters questions and answers In this book Dr Majmudar brings to the forefront the scarcely known but critically important facts of how Rajchandra molded Gandhi s inner self his character his life thoughts and actions This Jain zaveri jeweller cum spiritual seeker became Gandhi s most trusted friend as well as an exemplary mentor and refuge in spiritual crisis

Soulful Sex Victoria Lee,1997-05 Sadly after the first blush of romance and passion fades most couples become routine and hurried in their sexual intimacy This guide to the spiritual aspects of sexuality teaches readers how to become as conscious about their sexuality as they are about every other part of their lives Author workshops

**The Contemporary American Family** Teresa Chandler Sabourin,2003-04-07 I find the book extremely attractive The dialectical perspective provides a consistent avenue from which to address the diversity structural cultural developmental and functional in Contemporary American Families Whereas this perspective does not claim to solve the tensions in families it offers marvelous insights into the nature and changing diversities in families I believe this text is particularly well suited for reasonable discussion of serious issues and provides valuable insights into the nature of families and their functioning Vince Bloom California State University Fresno Teresa Chandler Sabourin invites students to appreciate the mystery complexity and diversity of the contemporary American family Resisting simplistic descriptions and normative descriptions Sabourin challenges us to open our minds and hearts to the rich humane variety of family connections as we search for ways to accommodate the competing demands and conflicting pressures experienced in our most cherished relationships Starting from the source of her own experience Sabourin addresses both the darker abusive side of family relationships as well as the lighter spiritual side of intimacy and love The Contemporary American Family successfully addresses the need for an accessible and teachable treatment of the dialectical perspective on close relationships This is a book that will encourage students of family communication to respect diversity question taken for granted assumptions and share the pain and joy and of their own family experiences Art Bochner University of South Florida Increasingly diverse in structure and culture contemporary families defy explanation by many traditional linear methods In order to understand the enormous impact that diversity has on the behaviors and relationships within the family scholars and students need a means to embrace rather than solve relational contradictions The

Contemporary American Family A Dialectical Perspective on Communication and Relationships recognizes that families are both close and distant stable and changing amenable and uncontrollable Teresa Chandler Sabourin employs a dialectical approach acknowledging that a family's contradictions and relational tensions may be the determining factor in its interaction Writing in a direct and simple style Sabourin uses this innovative theoretical position to address four types of family diversity structural cultural developmental and functional Sure to stimulate discussion and further research this provocative volume examines The dialectic process in the context of family communication and relationships The redefined more inclusive American family Contemporary family structures Cultural diversity in the family Issues such as alcoholism domestic violence and divorce Spirituality within the family Designed as a supplemental text for upper level undergraduate and graduate courses in Family Communication The Contemporary American Family is also an invaluable resource for students in Family Studies and Women's Studies courses *Cistercian Studies Quarterly*, 1998 **Subject Guide to Books in Print**, 1991 *The New York Times Book Review*, 1995-11 **The Spirit of Loving** Emily H. Sell, 1995 This collection of reflections by spiritual teachers psychologists and writers reveals the deeper dimension of loving Contributors include D H Lawrence Pierre Teilhard de Chardin Plato W H Auden Carson McCullers Martin Buber Antoine de Saint Exupery Virgil Anne Morrow Lindbergh James Joyce and many others **Sleeping with the President** Jennifer Flowers, 1998 *The Publishers Weekly*, 1993 **New Woman**, 1994
