## Sound Of Mad:

**Madwomen in Social Justice Movements, Literatures, and Art** Jessica Lowell Mason, Nicole Crevar, 2023-01-10  
Madwomen in Social Justice Movements Literatures and Art boldly reasserts the importance of the Madwoman more than four decades after the publication of Sandra Gilbert and Susan Gubar's seminal work in feminist literary criticism *The Madwoman in the Attic*. Since Gilbert and Gubar's work was published the Madwoman has reemerged to do important work, rock the academic boat and ignite social justice agency inside and outside of academic spaces moving beyond the literary context that defined the Madwoman in the late 20th century. In this dynamic collection of essays, scholars, creative writers, and Mad activists come together to re-define the Madwoman in pluralistic and expansive ways and to realize new potential in Mad agency. This collection blazes new directions of thinking through Madness as a gendered category comprised of a combination of creative works that re-imagine the figure of the Madwoman, speeches in which Mad-identifying artists and writers reclaim the label of Madwoman, and scholarly essays that articulate ambitious theories of the Madwoman. The collection is an interdisciplinary scholarly resource that will appeal to multiple academic fields including literary studies, disability studies, feminist studies, and Mad studies. Additionally, the work contributes to the countermovement against colonial, sanist, patriarchal, and institutional social practices that continue to silence women and confine them to the metaphorical attic. Appealing to a broad audience of readers, *Madwomen in Social Justice Movements Literatures and Art* is a cutting edge inquiry into the implications of Madness as a theoretical tool in which dissenting, deviant, and abnormal women and gender-nonconforming writers, artists, and activists open the door to Mad-futurities. *Practical Cosmophonography* Francis Fauvel-Gouraud, 1850  
To missionary and Bible societies of Europe and America and to all who are interested in the progress of education, the general dissemination of the scriptures, and the conversion of the heathen. The author *Everything about Dogs* Alvin George Eberhart, 1902  
*Someday* David Levithan, 2018-10-02  
Celebrate all the ways love makes us who we are with the sequel to the New York Times bestseller *Every Day*! Now a major motion picture. Every day a new body. Every day a new life. Every day a new choice. For as long as A can remember, life has meant waking up in a different person's body every day, forced to live as that person until the day ended. A always thought there wasn't anyone else who had a life like this. But A was wrong. There are others. A has already been wrestling with powerful feelings of love and loneliness. Now comes an understanding of the extremes that love and loneliness can lead to, and what it's like to discover that you are not alone in the world. In *Someday*, David Levithan takes readers further into the lives of A, Rhiannon, Nathan, and the person they may think they know as Reverend Poole, exploring more deeply the questions at the core of *Every Day* and *Another Day*. What is a soul? And what makes us human. **Free Verse** Sarah Dooley, 2017-03-07
