Suicide Casanova:

Suicide Casanova Arthur Nersesian, 2005 What do Woody Allen O J Simpson and Gary Condit have in common with Leslie Cauldwell protagonist of Nersesian s latest offering They are Suicide Casanovas What compels powerful men in the prime of their professional lives to risk so much Following the commercial success of his first four novels Suicide Casanova presents a psychosexual thriller a dramatic departure from his youthful black comedies Humbert Humbert without the paedophile penchant Hannibal Lechter without the appetite

Casanova's Life & Times David John Thompson, 2025-08-05 This is both the life of Giacomo Casanova and a chronicle of eighteenth century Europe Giacomo Casanova 1725 1798 was born the son of a moderately poor acting family at a time when the stage carried enormous social stigma Yet in his own lifetime he achieved celebrity across Europe rubbing shoulders with numerous of the eighteenth century s greatest men and women from Frederick the Great to Catherine the Great from Voltaire to Albrecht von Haller from Pope Benedict XIV to Pope Clement XIII It was a fame that had little to do with his romantic exploits This was to come later following upon the posthumous publication of his magnificent History of My Life An adventurer and a man of learning his was an extraordinary life whose story was intertwined with the story of eighteenth century Europe To try to understand this fascinating character we need also to try to understand the period in which he lived This is the aim of Casanova s Life and Times

Casanova's Guide to Medicine Lisetta Lovett, 2021-06-09 Forget the stereotype Giacomo Casanova s 1725 1798 reputation as libertine has sadly eclipsed his talents as scholar linguist prolific writer and manqué doctor Fortunately for us he wrote his memoirs at the end of his life on the advice of his doctor to control his propensity to depression Although these often have been harvested for information on political cultural and social aspects of his time the insights they give about medical practice and the lived experiences of illness have been largely neglected This book addresses this deficiency through exploring in detail what Casanova wrote on a variety of conditions that include venereal disease and female complaints duelling injuries suicide skin complaints and stroke and even piles These descriptions provide alternately grim and amusing insights about public health measures the doctor patient relationship medical etiquette and the dominant medical theories of the era To help the reader understand the historical significance of the medical subjects covered the author integrates throughout the book an extensive historical context drawn from contemporary sources of information and current history of medicine literature

Casanova's Chinese Restaurant Anthony Powell, 2024-05-31 The renowned literary saga continues as a group of London friends find domesticity and despair in their love relationships Anthony Powell s universally acclaimed twelve volume epic A Dance to the Music of Time offers a matchless panorama of twentieth century London Casanova s Chinese Restaurant the fifth book finds Nick marrying Isobel Tolland and launching happily into family life including his new role as brother in law to Isobel s many idiosyncratic siblings But even as Nick s life is settling down those of his friends are full of drama and heartache his best friend Hugh Moreland is risking his marriage on a hopeless affair while Charles Stringham has nearly

destroyed himself with drink Full of Powell s typically sharp observations about life and love Casanova s Chinese Restaurant offers all the rewards and frustrations pleasures and regrets of one s thirties I think it is now becoming clear that A Dance to the Music of Time is going to become the greatest modern novel since Ulysses Clive James A book which creates a world and explores it in depth which ponders changing relationships and values which creates brilliantly living and diverse characters and then watches them grow and change in their milieu Powell s world is as large and as complex as Proust s New York Times One of the most important works of fiction since the Second World War The novel looked as it began something like a comedy of manners then for a while like a tragedy of manners now like a vastly entertaining deeply melancholy yet somehow courageous statement about human experience New Yorker **East Village Tetralogy** Arthur Nersesian,2006-01-01 Nersesian is this generation s Mark Twain and the East River is his Mississippi Jennifer Belle author of High Maintenance These four sharply witty plays three of which have been staged off Broadway come from an award winning playwright poet and novelist who has gained a cult following in his native New York City and beyond and earned a reputation as one of the wittiest and most perceptive chroniclers of downtown life Time Out New York Included in this volume are Rent Control Writer s Bloc Plea Bargains Spare Change Award winning playwright Arthur Nersesian has woven an effective dramatic form through four plays each quite funny in its own way Each yields very powerful human results while subtly investigating the major social issues of our time Evangelina Borges Trying Time Press Named Best Indie Novel of the Year by the Montreal Mirror The Swing Voter of Staten Island Arthur Nersesian,2008-10-01 The paperback edition of Nersesian s exalted novel published simultaneously with the second installment in Nersesian s The Five Books of Moses series see previous page *A History of the African-American People (Proposed) by Strom Thurmond, as told to Percival Everett & James Kincaid (A Novel)* Percival Everett,James Kincaid,2004-04-01 Presents a fictitious chronicle of a former senator Strom Thurmond s efforts to write a history of African Americans revealing the antics of Congressional office workers publishing house interns editors and rival editors *Mesopotamia* Arthur Nersesian,2010-07-01 Thoroughly entertaining with an offbeat sense of humor There s a solid mystery here underneath the goofiness Booklist Things have not been going well for journalist Sandy Bloomgarten Her job went down the drain and her marriage quickly followed After a lengthy bender she awakens one morning to the stark realization that she is flat broke Nonetheless she s still a crack reporter and when a tabloid offers her a freelance assignment in Memphis just a stone s throw from her childhood home in Mesopotamia Tennessee she takes it Though sent there for one story she winds up tracking down another someone is killing Elvis impersonators who perform at the annual Sing the King festival The few available clues lead her to several unlikely characters a cheating local minister constantly on the make a strange band of misfits who only cover Elvis tunes and a small town private eye who blew himself up along with his crystal meth lab As Sandy s investigation closes she realizes that she is sitting on what could be the story of the century The only problem is she can never reveal what she has found The immortal shadow of Elvis Presley gyrates wildly through this satiric
