nearly half a century In a few years he led his army as far as the gates of Vienna made himself master of the Mediterranean and established his court in Baghdad Faced with this redoubtable champion who regarded it as his duty to extend the boundaries of Islam farther and farther the Christian world struggled to unite against him The Shadow of God on Earth but also an expert politician and all powerful despot Suleiman ruled the state firmly with the help of his viziers He extended the borders of the empire beyond what any of the Ottoman sultans had achieved yet it is primarily as a lawgiver that he is remembered in Turkish history His empire held dominion over three continents populated by more than thirty million inhabitants among whom nearly all of the races and religions of mankind were represented Prospering under a well directed authoritarian economy Suleiman s reign marked the apogee of Ottoman power City and country alike experienced unprecedented economic and demographic growth Istanbul was the largest city in the world enjoying a remarkable renaissance of arts and letters a mighty capital it was the seat of the Seraglio and dark intrigue
