Summa Theologiae The Passion Of Christ

Richard T. A. Murphy

Summa Theologiae The Passion Of Christ:

Summa Theologiae: Volume 54, The Passion of Christ Richard T. A. Murphy, 2006-10-26 Paperback reissue of one volume of the English Dominicans Latin English edition of Thomas Aquinas Summa Theologiae **St Thomas Aquinas Summa theologiae** Thomas Aquinas (svetnik.), 1965 *Summa Theologiae* Thomas Aquinas, 1965 The "Summa Theologica" of St. Thomas Aquinas Saint Thomas (Aquinas), 1914 **Gemstone of Paradise** G. Ronald Murphy, 2010 Presenting the story of Parzival that was intended as an argument against continued efforts by Latin Christians to regain the Holy Land by force the author reveals the secrets of the altar stone that inspired Wolfram's work in the diocesan museum of the German city of Bamberg *Hell's Destruction* Catherine Ella Laufer, 2016-04-22 The credal affirmation he descended to the dead has attracted a plethora of views over the centuries and many Christians today struggle to explain the meaning of these words This book explores various interpretations of the doctrine of Christ's descent to the dead both within particular historical contexts and within contemporary theology Laufer argues that the descensus clause Christ's descent is integral to Christian faith specifically to the doctrine of the incarnation If we are to affirm that in Christ God became truly human then that affirmation must include his sharing in the state of being dead that is the ultimate consequence of being human Laufer concludes that since the Son has experienced genuine human death and the separation from God which is the essence of hell there is no longer any human condition from which God is absent either in this life or in eternity Christ's descent means that he is truly hell's destruction Drawing on a treasure trove of writings from the western theological tradition including Luther Calvin Maurice Balthasar Moltmann and others and attending to historical theological exegetical philosophical and pastoral issues this book explores an often ignored doctrine which lies at the core of Christian life death and faith **Mary for Evangelicals** Tim Perry, 2006-10-18 With his feet planted firmly in the evangelical tradition Tim Perry began to think that there must be more to Mary than generally meets the evangelical eye Should we maintain that two thousand years of Christian thought on Mary is almost wholly wrong How could the mother of our Lord simply by virtue of the fact that she was God's chosen means of the incarnation not deserve more serious theological reflection And where might this lead Beginning with Scripture Perry probes the texts and traces the lengthy development of Christian thinking and practice related to Mary Finally he concludes with a constructive and even surprising theological proposal for an evangelical Mariology that is rooted in and demanded by a high Christology This book addresses the increasing evangelical interest in Mary and contributes to the current discussion of Mariology in evangelical Roman Catholic dialogue Sure to be discussed and debated this is a book that will leave readers in a different place from where they began Market Audience Students and professors of theology Pastors Catholic readers Endorsements From the fathers to the feminists Tim Perry surveys the history of Marian traditions and comes to some conclusions that are bound to prod and provoke This is an important study that deserves serious consideration Timothy George dean Beeson Divinity School Samford University and executive editor Christianity Today

Features and Benefits Examines what we know of Mary from the New Testament Explores the development of Mariology in the patristic period Surveys Mariology in medieval and Reformation periods and on into the nineteenth and twentieth centuries Offers a constructive theological proposal for an evangelical understanding of Mary rooted in Christology

Summa Theologiae Thomas Aquinas,1965

Aquinas on Israel and the Church Matthew A Tapie,2015-02-26

Theologians have long debated the significance of the Jewish religion for the Christian Church Some scholars see Thomas Aquinas as the leading advocate of the belief that Israel has been superceded by the Church while others hold that Aquinas avoids supersessionism altogether The discussion has however not always analysed the terminology nor has it taken into account some of Aquinas s commentaries on Paul s letters his writings most relevant to the subject Drawing upon the Pauline commentaries Matthew Tapie shows that while Aquinas s most commonly articulated view is that the passion of Christ made Jewish worship and the Mosaic law obsolete Aquinas also advanced views that set this into question in ways that support Christian teachings affirming the value of post biblical Judaism In doing so he provides both a rich and timely reminder of the ambiguities in Aquinas s thought and makes an important contribution to the literature of supersessionism **The**

Redemption Bernard Lonergan,2018-11-30 Thematically focused on the theology of redemption or what is called in theology soteriology each of the two sections of *The Redemption* addresses biblical literature and significant moments in the history of Christian theology and especially the work of Anselm of Canterbury The second part of the book presents a significant treatment of the problem of good and evil and introduces the important category of cultural evil Most significant from the standpoint of Lonergan s original contribution is the treatment accorded in both Part 1 and Part 2 to what he calls the just and mysterious law of the cross The treatment of biblical literature contains a valuable distinction between redemption as end and redemption as medium Beginning with theses 15 17 from Lonergan s *Collected Works* *The Incarnate Word* this volume also includes rare and never before published texts originally written in the late 1950s
