

LPRO3724 Summary

Unit 1: Introduction to property law

Chapters 1 & 2 of the TB

Scope and content of property law:

- In wide sense → It deals with "property" – all assets that form part of person's estate. Or, it deals with non-legal terminology, a person's "possessions"
 - Includes immovable assets, like a house
 - Movable assets, like a motor car
 - Immaterial property, like a patent
- Remember, private law concerns itself with legal relationships and transactions between private subjects operating on a more / less equal footing
- Public law also plays a part in LPRO → section 25 of the C provides protection for rights in property. LPRO must take note of C principles & their effect
- As result of developments, it became impossible to restrict LPRO to corporeal assets / things
 - "LPRO" = more appropriate than "law of things"
- Apart from rights in property, LPRO traditionally deals with relationships that don't qualify as rights at all
 - They are still NB for LPRO because of their legal implications
 - Relationships are described as unlawful control of property, to which the person in question has no right

Sources of the traditional property law:

- Roman-Dutch private law so common-law
 - Found in writings of the great RD lawyers of the 17th-18th centuries
- SA leg
 - Sectional Titles Act 95/1988
 - Security by Means of Movable Property Act 57/1993
 - Constitution
- Case law
 - *Ex Parte Geldenhuys*
 - Distinction between real rights & creditor's rights
 - *Setlogelo v Setlogelo*
 - Requirements of obtaining an interdict

Apartheid effects → discriminatory laws must be abolished

- Section 39(2) of C → common + customary law must be interpreted + applied with due regard to spirit & objectives of C

Sources of modern property law:

- RD common law
 - Must now be applied with greater care & circumspection in every case
 - Must now consider whether it will promote / frustrate the ideals of human dignity, freedom and equality set out in C
- Statutory law
 - Apartheid was seen to be promoted through legislation (Prevention of Illegal Squatting Act of 1951)
 - New leg have to be evaluated against C backdrop

Summary Of American Law

Jessica J Manson

Summary Of American Law:

Summary of American Law Martin Weinstein,1988 **Summary of American Law** R. Kimbrough,1981-12 Written especially for students this one volume summary of American law states as clearly and concisely as possible the principles on which the law is based **Analysis of American Law** Thomas Watkins Powell,2008 **American Law and Legal Systems** James V.
