Sheerin,Chloe Barnett**

Summer Afternoons The Landscape Paintings Of William Merritt Chase:

Summer Afternoons Ronald G. Pisano, William Merritt Chase, 1993 Born in Indiana in 1849 William Merritt Chase along with Whistler Cassatt and Sargent is recognized today as one of America's premier Impressionist painters Chase's formative years spanned a period of great change in American painting a time when eager young artists trained in the academies found inspiration both in Europe and gradually in their own country Chase often traveled abroad unlike many of his contemporaries he also chose to portray the natural beauty of America often in city parks and simple beach scenes rather than idealized bucolic vistas Although for at least a half century after his death Chase was better known for his still lifes and figure paintings now his landscapes come to light as some of his most beautiful and skilled works They are at once the most impressionistic of his works and the most American an important attribute for this man who was an influential educator on the art of his own country and who at a ball in Bruges Belgium bedecked with all the medals he had won over the years proudly proclaimed himself Duke of Indiana Most celebrated among Chase's American scenes were the Prospect Park and Central Park paintings and the Long Island landscapes Writing about Chase in Harper's New Monthly in 1889 and objecting to the overriding preference for European subjects among American artists and collectors one critic described Chase's urban scenes as new proof if proof were wanted that it is not subjects that are lacking in this country but eyes to see them with The eighty eight full color reproductions of Chase's landscape paintings and pastels in his book go beyond his American scenes Spanning the years 1875 to 1914 from Chase's early days in Munich to his summer in Carmel by the Sea the book is full of different locales all rendered in Chase's adored plein air style Here is Madrid Holland Fiesole and Venice later on to the city parks and the beaches and finally the California paintings The text is by Ronald Pisano the foremost authority on Chase and is supplemented by documentary photographs from Chase's life and his various working environments These oils and pastels are pictures of ease of relaxation in their portrayal of leisure class Americans they are intimate and restrained but are the work of a consummately talented colorist and an artist fascinated by aesthetic technique If one can paint a fence rail well Chase once said in defense of his Long Island paintings it is far better than an unsuccessful attempt at the most sublime scenery for it is not what one does but the way it is done **BOOK JACKET Title Summary** field provided by Blackwell North America Inc All Rights Reserved **William Merritt Chase** Elsa Smithgall, Erica E. Hirshler, Katherine M.

Bourguignon, Giovanna Ginex, John Davis, 2016-01-01 A landmark retrospective that examines William Merritt Chase and his lasting contribution to the history of modern art The history of modern art owes a great debt to William Merritt Chase 1849 1916 one of America's influential artists and educators Chase was a leading member of the international artistic avant garde and was best known for his mastery of a wide range of subjects in oil and pastel including figures landscapes urban park scenes interiors and portraits As a teacher and founder of the Shinnecock Summer School of Art and the New York School of Art Chase mentored a new generation of modernists including Edward Hopper Georgia O'Keeffe and Joseph Stella A century

after his death the breadth and richness of Chase's career are celebrated in this beautifully illustrated publication Five essays by prominent scholars of American art offer new insights into Chase's multi-faceted artistic practice and his position in the international cultural climate at the turn of the 20th century

The Grove Encyclopedia of American Art Joan M. Marter, 2011 Arranged in alphabetical order these 5 volumes encompass the history of the cultural development of America with over 2300 entries

The Collections of the Nelson-Atkins Museum of Art Nelson-Atkins Museum of Art, Margaret C. Conrads, 2007 Lauren Lessing and Randall R. Griffey are primary authors P 25

Vistas de España Mary Elizabeth Boone, 2007-01-01 In the decades following the American Civil War and leading up to the First World War a definitive shift in power took place between Spain and the United States This original book explores American artists' perceptions of Spain during this period of turmoil and demonstrates how their responses to Spanish art helped to answer emerging complex questions about American national identity M. Elizabeth Boone focuses on works by Thomas Eakins, Mary Cassatt, William Merritt Chase, John Singer Sargent, Robert Henri, and other American artists who traveled to Spain to study the achievements of such great masters as Murillo, Velázquez, and Goya The resulting American paintings, some well known and others now largely forgotten, provide intriguing insights not only into the 19th-century American struggle to define itself as an imperial power but also into the relations between the United States and the Spanish-speaking world today

American Paintings, Drawings and Sculpture Sotheby's (Firm), 1995

American Paintings from the Montgomery Museum of Fine Arts Montgomery Museum of Fine Arts, Margaret Lynne Ausfeld, Charles C. Eldredge, Mark M. Johnson, 2006

Impressionism John I. Clancy, 2003 Defining an artistic era or movement is often a difficult task as one tries to group individualistic expressions and artwork under one broad brush Such is the case with impressionism which culls together the art of a multitude of painters in the mid 19th century including Monet, Cézanne, Renoir, Degas, and van Gogh Basically impressionism involved the shedding of traditional painting methods The subjects of art were taken from everyday life as opposed to the pages of mythology and history In addition, each artist painted to express feelings of the moment instead of hewing to time-honoured standards This description of impressionism obviously is quite broad and can apply to a wide array of styles Nonetheless it remains a very important school in the annals of art Any current or budding art aficionado should become familiar with the impressionist movement and its impact on the art world This book presents a sweeping study of this artistic period from its origins to its manifestations in the works of some of art history's most revered painters Following this overview is a substantial and selective bibliography featuring access through author, title, and subject indexes

William Merritt Chase Ronald G. Pisano, 1979

Julian Onderdonk William Keyse Rudolph, A. Kate Sheerin, Chloe Barnett, 2008 This illustrated catalogue offers a critical look at Impressionist Julian Onderdonk 1882-1922, one of Texas's finest landscape painters and a pupil of William Merritt Chase The essays examine the relationship between Chase and Onderdonk and how that dialogue transformed the way the latter viewed Texas
