The Kids are Smart Enough, So What's the Problem? Richard W. Garrett, 2017-12-06 There is a national crisis in education and it's not the highly debated philosophical discussions or heated political arguments we are used to hearing Survey data establishes the fact that classrooms throughout the nation suffer from the presence of a small percentage of misbehaving students Teachers are ill equipped to deal with these disruptive students resulting in lost classroom time and demoralized educators who are perpetually blamed for the student's bad performance The root cause of these misbehaving children is not a lack of intellectual ability but a lack of

character and grit the important noncognitive skills required for success in life The Kids are Smart Enough is a book of hope with surprisingly practical solutions revealed by listening to teachers learning from data and looking for the root cause This book will help you to discover how struggling students can be reached and teachers encouraged **Get Ready for 4th Grade Reading** Sylvan Learning,2020-06-23 GET READY TO HEAD BACK TO CLASS Prepare your child for 4th grade with this reading workbook full of fun engaging exercises and activities designed to refresh kids on what they need to know before returning to school Parents you know that disruptions whether for summer break vacations or other reasons can put your child s education on pause By adding just a few pages per day of material learned in the previous grade into kids routines you can help your child keep their skills fresh and set them up success for when they return to the classroom The exercises and activities in Get Ready for 4th Grade Reading are drawn from our top selling SUMMER SMART workbook series designed to combat summer learning loss Inside you ll find Links to download printable versions of activities with physical components coloring tracing 50 pages of teacher created learning exercises to reinforce reading skills that your child should know going into 4th grade Fun engaging activities that feel like play With Sylvan Learning you don t have to compromise between entertainment and education Your child will love the great mix of activities stories and games in these pages You ll love seeing their improved confidence and newfound love of learning *Summer Smarts* Jeanne Crane Castafero,Janet Van Roden,1998-05-27 A workbook offering exercises to reinforce skills and knowledge learned in the first grade
